"Excellence in Education"

JACKSON ACADEMY

Looking Back — Moving Forward

On May 28, 1982, diplomas were awarded to 22 high school students, constituting Jackson Academy's first graduating senior class. This ceremony marked another milestone in the academy's growth and development. In the school's recognized history of dedication to maintaining the finest learning environment for its students, Jackson Academy now offers a full program of service for primer through twelfth grade. Both the physical facilities and the academic curriculum reflect this growth and development.

In response to academic and extracurricular demands, a progressive building program continues. An art room for upper elementary and secondary students has been constructed and is ready for use in the 1982-83 school year. A track has been constructed around the athletic field and plans are being made for beginning a band that will be both marching and concert. Providing for the needs of a growing student body, diverse in interests and goals, is

the primary concern of Jackson Academy's Board of Trustees and Administration.

Following the principles of academic quality on which it was established, Jackson Academy strives to develop the fullest potential of its student community with a diverse and enriched curriculum. At its founding in 1959 as a more individualized approach to learning, the school served forty students with a faculty of six. Today the academy encompasses a pre-school, elementary school, junior high school, and senior high school with a total enrollment of 1130 and a faculty of ninety.

Jackson Academy's academic strength lies in elementary instruction in basic skills with supportive services and enrichment programs. As curriculum advances greater diversification of subject matter if offered in the arts, sciences, and professional skills. A comprehensive athletic program provides skilled supervision and training in football, basketball, baseball, soccer, track, tennis, and swimming. Opportunities for team participation and individual achievement are highlighted with interscholastic competition.

With a deep sense of respect for past ideals, a realistic awareness of present needs, and a purposeful anticipation of future expectations, Jackson Academy accepts the challenge of excellence in education.

GLENN A. CAIN, HEADMASTER

Dear Friends:

It is always a pleasure for me to welcome each of you to this first game of the season and to all other athletic contests of the 1982-83 school year. It takes many talented people who are willing to give of their time to undergird a program for the program to become a reality, and to these people, please accept my thanks.

The 1981-82 school year was a highly successful one in athletic competitions with our fine young athletes winning championships on several levels. Our swim team and track teams were state winners. Even though winning is great, the feeling of doing the best you can is a victory for the athlete and for the school he/she represents.

We are all winners at Jackson Academy because of the outstanding service rendered by the people who make up our school--students, patrons, and staff. I appreciate your attendance at our activities and the opportunity it affords us to get to know each other.

Jackson Academy tries to instill good sportsmanship in its athletes along with the skills that are necessary to be successful. I hope you will join with me in demonstrating the type of sportsmanship we want our young people to demonstrate.

I am looking forward to working with you in the total program at Jackson Academy as it continues to expand and to achieve its goal of "Excellence in Education."

Sincerely,

Glenn A. Cain

Jackson Academy Athletic Director

Dantone to Guide Raider Athletic Program into AAA Competition

The 1982 - 1983 school year represents a milestone in the athletic program at Jackson Academy. J. A. has been elevated in athletics from A classification to that of AAA classification. This year J. A. has been placed in the North Division of the state-wide AAA Academy Conference. This jump represents a tremendous leap in the progress of the athletic programs at the school and presents a great challenge to our student athletes and their coaches.

The man who will be guiding the athletic programs this year as the Athletic Director is Sammy Dantone, Jr. Sammy graduated from high school in 1959, in Greenwood, Mississippi, went on to Mississippi State University, and obtained a Master's Degree from Delta State University.

While at Mississippi State, Sammy played football for the Bulldogs and was named SEC Back of the Week. After leaving college, Sammy coached basketball at Greenwood High School for five years. During that time his record was 108 wins against only 37 losses, and his team won the North Big Eight Basketball Title twice.

After leaving Greenwood High School, Sammy became Athletic Director, Head Basketball Coach, and Head Football Coach at Pillow Academy in Greenwood. While there, Sammy's football teams posted a record of 70 wins against only 30 losses.

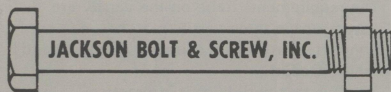

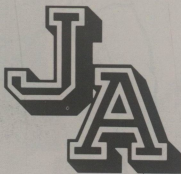

In 1979, Coach Dantone moved to Brandon Academy where he served as Headmaster, Athletic Director, Head Football Coach and Head Basketball Coach. During his tenure at Brandon, Sammy's football teams recorded 23 wins against 8 losses and won the State AA Football Championship in 1979. In that same year, Sammy Dantone was named the South Central AA Football Coach of the Year.

In addition to his coaching duties at the various schools, Sammy was named as Coach of the North All Star Basketball Team in 1971 and 1979, and was named as Coach of the North All Star Football Team in 1975. He was also the Coach of the South All Star Football Team in 1979.

Sammy Dantone has proven himself as being a capable coach and Athletic Director, and is the type of individual Jackson Academy needs and must have to guide its athletic programs during the first year in AAA sports.

Tennis Coach Carolyn Henry

Our tennis program will continue to be in the fall and spring because this has proved a winning combination. For the two past seasons, we've had an average of 70 players in the fall and 35 in the spring. Each program covers 6-8 weeks of instruction, conditioning, drills and competition.

The 1981-82 seasons boasted a record of 7-3-1, and 7-3 respectively. Last year our team won the South Central A, South State A and State A and ranked third in the Overall State Playoffs behind Prep and Washington Academy.

The requirements to be on the varsity are:

1. Participate in three varsity matches, win one.
2. Conduct yourself with courtesy, discipline and honor on and off court.
3. Be persistent and diligent in practice.
4. Not voluntarily quit the team.

The 1982-1983 tennis team should be every bit as good, if not better, than the team last year. Good sportsmanship, hard work, and dedication will be the trademark of the J. A. team for the coming year.

Championship Title for a record setting fourth year. At the 1981 M.P.S.A. Swim Meet Jackson Academy scored a total of 413 points. Three swimmers, receiving the Outstanding Swimmer Award, will be swimming for Jackson Academy this year in the 7-9 grade division. They are Tanya Fortenberry, Michelle Herring and Jane Ann Lampton.

The Jackson Academy Swim Team, coached by Marilyn Royals, seeks to keep the M.P.S.A. Swim Title. With an all out effort from our elementary, junior high and high school swimmers, we hope to retain the championship for the fifth straight year.

VARSITY RAIDERS FACE STIFF COMPETITION IN '82

The 1982 football season will certainly be a challenge to the Varsity Raiders for two reasons. First, almost all of the high school's backfield from last year's South Central A Championship Team has graduated. Second, Jackson Academy has been moved from Class A to Class AAA level where the competition will be much greater.

This year's Raider squad consists of approximately twenty-two players. The boys are facing a tremendous task, however, they are willing to put out the effort needed to be competitive in the North AAA Conference.

One of the main strengths of the 1982 Raider Team is in the line where most of the starters are returning from last season. Included in this group are Josh Dehmer, Rob Porch and Bryan Paarman, who were named last year to the South Central A All Conference Team. Tom Kirkpatrick and Jamie Ware, who also are returning linemen, made Honorable Mention on last year's All Conference Team.

The team's other strengths this year include the

fullback position played by Wendall Catchings and kicker Richard Thompson. Thompson made last year's All Conference Team as a kicker and Catchings was given Honorable Mention status.

Weaknesses for this season include overall depth and a lack of experience at the skilled positions such as quarterback.

In the pre-season practices, the team has worked very hard and has demonstrated a great togetherness. The coaching staff consisting of Coach Sammy Dantone and assistants Phil Shepherd and Arnie Oakes, have been working very hard in trying to get the players in the right positions to do the most good for the team. They have been working the players long and hard to get them in the best possible physical condition in order to avoid injuries as much as possible.

Coach Dantone, who has been a very successful football coach for many years, feels that the Fighting Raiders can be competitive in the very tough North AAA Conference if the team can avoid injuries.

Junior High Raiders Expected To Be Tough In '82

The 1982 Jackson Academy Junior High Fighting Raiders have high expectations for this season. There will not be a lack of experience since twelve members from last year's team will be returning this season. Two of these players, Powell Swearengen and Scooter Purnell, were named last season to the All City Class A-AA Football Team. Four other returning players were named as Honorable Mentions on the All City Team. These were Michael Fulton, Keith Parker, Ron Ries, and Keith Spitchley.

Adding to the strength of this year's squad will be a number of newcomers who have transferred to Jackson Academy. Included in this group are Brian Baker, Scott Coker, David Clayton, David Dantone, Chris Lawrence, Stacy Phillips, Hunter Persac, and David Tibbs.

The Junior High Raiders will feature a squad made up mostly of ninth graders. Coach Sherrard Shaw and Tony Page, who came to J. A. from Brandon Academy, both feel that this year's team will be very competitive.

Soccer

Senior High Soccer

Jackson Academy formed their first senior high soccer team in 1982. Like most first year teams J. A. experienced a disappointing season with a 1-4-1 record. However, this team showed a lot of character and courage throughout their first season.

With all eleven starters returning and the addition of Alex Belmont, Bruce Bennett, and Richie Farrar, the

1983 squad should do well. The Raiders will discard the 4-3-3 formation that they used in '82 in favor of the 4-4-2. The 4-4-2 will enable the team to strengthen their midfield and defense. Keep an eye on forwards Wendall Catchings, John Murray, mid fielders Leland Speed, Drew Weissinger, and defender Richie Farrar.

Junior High Soccer

The 1982 soccer season for the junior high team was quite successful. This squad was very young and inexperienced compared to past J. A. teams, with only one starter, David Brown, returning from the '81 season. Despite those handicaps, the Raiders finished second in their league with a 3-2-1 record.

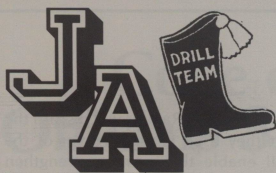

The outlook for the 1983 team is very good. Goalie Bruce Bennett and mid fielders Alex Belmont and Clarence Burg have moved up to the senior high teams, but the rest of the team will be back. Look for strong performances by Michael Murry, David Brown, Andy Clark, Rusty Clark, Stephanie Richards, Dan Ayres and Joey Hoover. The 1983 squad may be J. A.'s best junior high soccer team yet.

High School Boys' Basketball Coach, Kerry Farrar

Jackson Academy High School Boys' Basketball

The 1981-82 Raiders were a successful and exciting basketball team. This year's team will miss 5 seniors and 4 starters off of last year's 27 win and 7 loss squad. Having played together since the 7th grade, the varsity Raiders were South Central A. West runner-ups and South Central A champs. The J.A. boys went on to place 3rd in the State A Tournament.

The team will welcome new coach, Kerry D. Farrar, from past coaching at Western Kentucky University. He is knowledgeable and excited about carrying on the excellent J.A. basketball program. He has lone senior Richard Thompson back to work the boards. Guards, Mike Gieger and John Robinson, will probably handle the ball. Erik Hoover, Erik Stout, Bruce Coleman, and Sam Hubbard should be strong players. Sophomores, Landon Despeaux, Trip Lobrano, Trey Waltman, Kenny Avery, Alex Belmont, John Tash and Richard McMullan look to help out this year. They all played together to win the Junior High South Central A. District Championship.

The 1982 Raiders will be young and aggressive for their AAA competition.

High School Girls' Basketball

The Jackson Academy Lady Raiders are looking forward to another year of exciting basketball. The team finished last year with a 17-16 record.

Experience should play a big role in the team's success. The Lady Raiders will return four starters from last year's squad. Seniors Debbie Hamilton and Jackye Shanks as well as Juniors Andrea Martin and Sharon Ratliff will be counted on heavily to provide the dedication and discipline needed for a successful team. Other returning players who will be looked upon greatly to contribute to the team's success will be Seniors, Bronwyn Caves and Leigh Purviance, Juniors, Karen Murray, Katie Gilchrist and Mara Spitchley and Sophmores Harriet Griffiths and Susan Strickland.

The girls are working hard and are looking forward to the challenge ahead of the 1982-1983 basketball season.

IT TAKES MORE THAN BRAINS TO GO TO COLLEGE.

It takes money. For tuition, room and board, and books. And that's just the beginning.

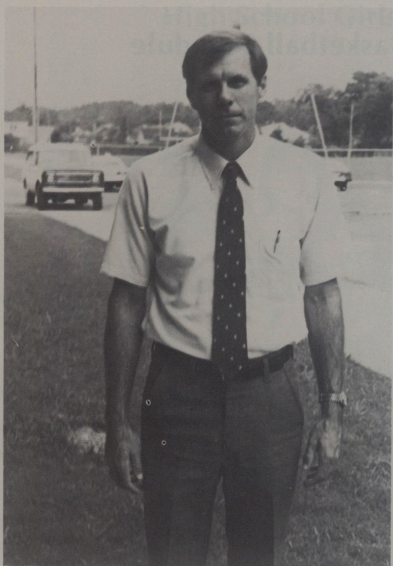

To help meet these costs, the Army proudly introduces the Army College Fund. You can join it, upon qualifying, when you join the Army.

For every dollar you put in, Uncle Sam puts in five. Or more. So, after just two years in the Army, you can have up to \$15,200 for college. After three years, up to \$20,100.

Junior High Girls' Basketball Coach, Ray Higgins

The 1981 - 1982 Junior High Girls basketball team compiled a respectable 18 - 8 record. They were the conference champs by winning the South Central A West tournament at the end of the season. They went on to be runner-up in the District.

This years team looks to be good but inexperienced. One starter is coming back. Michelle Herring should be strong in the middle and Brook Moore should provide good outside shooting. Other 9th graders that should help are Stacy Bailey, Jodie Christian, Jennie Tharpe, Debbie Holbrook, Jennifer Neyland, Teresa Neral and Sara Davidson.

Immediate help should come from this years eighth grade. They are aggressive and love to play the game. As a seventh grade team they won 12-2 last year. Elizabeth Murray was Most Valuable Player, Alison Blair was Most Improved, and Dorothy Hector was most dedicated. They and their cohorts should provide exciting Junior High girls basketball. The girls are coached by Ray Higgins.

At Jackson Academy the pre-season strength program will include a lot of speed and endurance training, and some strength training. During football season the boys will be working with weights two days a week, concentrating on endurance and speed one day, and on strength the second day. During the off season Coach Oakes will be organizing a strength team for anyone who is not competing in a sport at that time.

If the J.A. coaches of basketball, track, and baseball feel that a strength program is necessary for their athletes, then Coach Oakes will organize a program for them. This strength program would include all girls and boys included in the sports.

Coach Oakes is interested in adding people to the membership of the 150 lb. and 200 lb. club, and would like to add a 300 lb., and possibly a 400 lb. club to the strength program at J.A.

In the spring of 1982, Jackson Academy fielded its first Varsity Baseball Team. After the initial season, the foundation for a successful baseball program was laid. This coming spring J. A. should prove to be very competitive on the diamond. The strength of the 1983 team will be in the form of returning lettermen Kenny Avery, Ronnie Cockayne, Landon Despeaux, Mike Gieger, Allen Hodges, Pat Perkins, and Erik Stout. Also expected to add valuable assistance next season are Bruce Coleman, John Murray, Rob Porch and Patton Seabrook, along with several others who have transferred to Jackson Academy this year.

Guiding the 1983 Baseball Raiders will be Coach Sherrard Shaw, who comes to J. A. after coaching successful teams at the Pillow Academy and Brandon Academy. Teams Coached by Shaw have won the North AAA Championship in 1976, 1978, and 1979 and the overall State Championship in 1979.

With a combination of the J. A. boys and Coach Shaw, Jackson Academy baseball should have a bright future.

High School Girls Track

The J A girls track team just completed its best ever track season. They won the following meets:

Brandon Academy Invitational Champions
 ACCS Relays Champion
 South Central A, West Champions
 South Central A, Champions
 South State A, Champions

The girls finished a very respectable third in the State meet. The team was very young. The girls qualifying and participating in the State meet were: 4 seventh graders, Holly Douglas, distance runner, Karen Sowell, hurdles, Julie Caraway and Alison Blair, sprints; two ninth graders, Lynn Neville, sprints and Marie Kemp, distance runner. Three sophmores, Andrea Martin, Lauren Neyland and Sharon Ratliff, sprints; two juniors, Ashley Odom, sprints and Margaret Doty, high jump; 1 senior, Debbie Leyda, sprints.

The 1982-83 track girls graduated only 2 girls on last years successful team. Hoping to run again this year will be Harriet Griffith, Jill Miller, Karen Murray, Melody Anderson, Katherine Anne Harrison, Katie Gilcrst, Christine Cherney, Judy Bowles. The girls are coached by Ray Higgins and Becky Lee. Jackye Shanks serves as manager.

This year the girls are looking forward to working out on the new track recently installed. With continued hard work the girls should be ready for our AAA challenge this spring.

Girls Cross Country

Last year was the first season the MPSEA had cross country as a sactional sport. It was a great beginning, especially for the J A girl runners. They won the Indianola Invitational and finished third in the State Meet. All the runners from last year are back except one. They include: Marie Kemp, Harriet Griffith, Karen Murray, Sharon Ratliff, Judy Bowles, Melody Anderson, Margaret Doty, Ashley Odom, and Melanie Hollis. The season is in the fall. The girls run 2 miles in the meets. They are coached by Ray Higgins.

The 1982 Jackson Academy Track Team concluded a highly successful season as South Central A West Conference Champions, South Central A District Champions, South State A Champions, and overall State Class A Champions.

Returning from that State Championship team are Richard McMullan, Bryan Paarmann, Reed Hubbard, Rob Porch, Brent Johnston, Tabor Weissinger, Bill Sheffield, Tom Kirkpatrick, and Sam Hubbard.

Last year's team also included two individual State Champions: Larry Methvin in the 400 meter dash and Brent Johnston in the 800 meter run.

Reed Hubbard returns as the South State A Pole Vault Champion. Both he and Rob Porch will be counted on heavily this spring. Reed finished 3rd in State and Rob finished 4th. Brent Johnston is the only returning member of the 400 and 800 meter relays that finished 2nd in State. He and Richard McMullan also return from the 1600 meter relay that finished 2nd in State.

The sprint relays will be strengthened this year with the return of Allen Cain, who missed all of last season with an ankle injury.

With the graduation of many seniors and the move to triple A, this spring presents another challenge for this year's track team. We all realize now the work and dedication involved in becoming champions. With the addition of several boys up from the junior high program and with those boys from last year's team, hopefully we will rise to a new level of dedication and put forth the effort necessary to remain champions.

We humbly thank all of you who have always supported us whether in victory or defeat; and wherever we run, we will continue to seek to honor you and your school.

Jackson Academy Junior High Boys' Track

The junior high boys completed a successful season winning two meets and placing high in several others. The 1982 1600 meter relay team composed of Ron Ries, Trey Waltman, Edward O'Connor and Richard McMullan finished the season undefeated.

The team returns the following lettermen for this spring: Edward O'Connor, Ron Ries, Scooter Purnell, Keith Parker, Mark Lampton, and Dan Wells. With the return of Powell Swearengen from a muscle injury and

the addition of several runners from the seventh grade team, this spring looks bright for boys' jr. high track.

Scooter Purnell returns as a highly talented discus thrower. With the return of Powell Swearengen and Edward O'Connor the sprint teams look very strong. Ron Ries, Mark Lampton, and Dan Wells will be counted on heavily for distance strength this year.

The team this spring will be an older and more experienced team with the possibility of continued success. We realize, however, that talent without hard work will remain untapped; therefore, how successful we become will depend on our dedication and discipline.
