31 Years of Service

On August 18, 1989, Jackson Academy will begin its 31st year of providing quality education to young people in our community. When it was established in 1959 to offer instruction in the phonetic approach to reading and independent study skills, Jackson Academy had forty students enrolled, and a staff of six.

Today the school offers a full program for students in pre-primer through high school. The enrollment of 1350 is served by a dedicated and capable staff of 131. Both the physical facilities and the academic curriculum reflect this growth and development.

In response to academic and extra-curricular demands, a progressive building program continues. Physical plant additions of the past few years include a lower elementary building, a junior high facility, a band hall, an additional gymnasium, enlargement of the cafeteria, an expanded elementary library, additional office space, and enhanced athletic facilities.

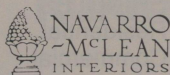

The primary concern of Jackson Academy's Board of Trustees and Administration is to provide for the diverse interests and goals of all the students.

Jackson Academy's academic strength lies in systematic, thorough instruction in basic skills with supportive services, and enrichment programs. As the

curriculum advances, greater diversification of subject matter is offered in the arts, sciences and in the development of professional skills. Our outstanding athletic program consists of football, basketball, baseball, soccer, track, cross country, tennis, swimming and softball. Opportunities for team participation and individual achievement are highlighted with interscholastic competition.

With a deep sense of respect for past ideals, a realistic awareness of present needs, and a purposeful anticipation of future expectations, Jackson Academy offers the challenge of excellence in education.

MR. PETER JERNBERG
Jackson Academy Headmaster

Dear Friends:

Jackson Academy was established in 1959 as an independent day school. It was created for and is dedicated to the education of boys and girls, pre-school through senior high.

Through the diligent and unselfish efforts of many people, the school has grown to include a thirty-eight acre campus serving over 1350 students with a staff of 131.

The first priority at Jackson Academy is the education of the student. Education at Jackson Academy is a process that stresses commitment and cooperation, that makes clear the interdependence of academic and extra-curricular pursuits and places high value on integrity, achievement, and growth.

It is paramount that we demonstrate positive support for all aspects of our extra-curricular program. This can best be done through offering encouragement to those students participating and by reflecting wholesome conduct at all JA activities.

The Jackson Academy Athletic Booster Club continues to be a vital part of our support program. We recognize them, not only for this support, but also for their interest in and encouragement of our student athletes.

Jackson Academy considers it a privilege to have you visit our campus for athletic events. We also invite you to attend and support other JA activities that involve our fine student body.

Sincerely,

A handwritten signature in dark ink that reads "Peter Jernberg". The signature is written in a cursive, flowing style.

JA Varsity Cheerleaders

The Jackson Academy Varsity Cheerleaders look forward to a successful and spirit filled year at JA. Pep rallies will be a top priority as the main function of the cheerleaders is promoting school spirit and supporting the various teams. Special plans will be made to welcome the friends from California.

The girls won the Award of Excellence again for the fourth straight year. This award qualifies them for the national competition in Dallas. This was the first year for them to compete against coed squads and squads from both public and private schools. Mary Tison Quaka and Mary Carolyn Ikerd were both nominated for All American Cheerleader. Mary Carolyn was chosen and has the opportunity to cheer at the Aloha Bowl in Hawaii.

The cheerleaders having a National Cheerleader Association Youth Camp in the summer and plan to do so again next year. The squad is a very committed and dedicated group that works well together.

Junior High Cheerleaders

The Jackson Academy Junior High Cheerleaders won the Award of Excellence at the National Cheerleaders Association Camp at Hinds Junior College this summer. They won the Spirit Stick, the Best Junior High Award and the top award for Best Squad, the Award of Excellence. They will be able to attend the national competition in Dallas. Three girls from the group were nominated for All American Cheerleader. They were Holly Hughes, Shelley Foshee and Loris Nejam.

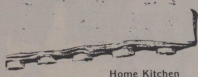

The main function of these girls is to increase school spirit. They work hard throughout the summer and the school year. They practice cheers, plan pep rallies, paint signs, conduct bake sales and do a community service project. They enjoy working with the JA Jazz, the pep group that helps them with student participation at pep rallies and games. The Junior High Cheerleaders make quite a winning team.

JA ATHLETICS

Bobby West — Athletic Director

The 1989-90 school year is upon us. This is a great time to be reminded of what a privilege it is to be able to share in athletic competition. We are charged with the responsibility of keeping good sportsmanship foremost as we participate as athletes and spectators.

Our Coaches are accepting the responsibility of providing a positive atmosphere. Maximum emphasis is on discipline and positive leadership in our competitions.

As the excitement of high school athletics continues, let us be challenged either to participate or support as enthusiastically as possible. All the Jackson Academy Athletes appreciate your support.

We welcome our visitors to the campus and trust that they will find us to be graceful hosts. Thanks for being an important part of making all the activities at JA successful.

Varsity Football

Coach Kim Alsop
Varsity Football Coach

The Fightin' Raiders finished a somewhat disappointing 6-4 last year. However, they competed valiantly in every game. For the upcoming year, the Raiders return many starters from last year.

Both players and the administration feel that the acquisition of Kim Alsop as the new head football coach has been a major plus. He comes with impressive credentials, with college experience at the University of Richmond and Louisiana Tech. He has brought a new attitude to the locker room, giving the

players the simple fact that with hard work, anything is possible.

With a new head coach, both players and coaches have made some adjustments. The summer training program has been intense, but the players made the commitment to work hard, and they have. The key to success will be dedication to Coach Alsop's principles. The outlook is bright and morale is high.

Well, it's "Raider Football Time"

*A time to stand, when so few will
A time to be disciplined when so few are
A time to have courage when so few do
A time to make sacrifice when so few do
A time to be committed when so few are*

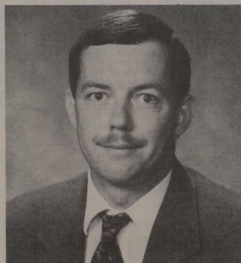

As for me, your Coach...Well.....

*I am looking for "A few good men"
Those that will stand the test
Those that never accept defeat
Those that have the "Metal" to come back
Time and Time again; hungry for the battle
of life and the Great Game of Football.*

Junior High Football

The Junior High football team finished with a spectacular season last year, winning six games and losing only one.

Although the entire backfield, except quarterback Chris Mathison, moved up to the Varsity, the team once again looks to be strong. With the right frame of mind and total team discipline both in the classroom and on the playing field, the goal of an undefeated season is in reach.

7th Grade Football

The seventh grade football team had a very successful season. They played their hearts out and finished with a record of four wins, only one loss and two ties. Enthusiasm was high, as the players learned the fundamentals of the game to prepare them for next year.

With twenty-five upcoming seventh graders signed up for football, the team once again looks to be strong. Under the coaching of science teacher, Jim Mangum, the team hopes to have another successful season.

Accents

The Jackson Academy Accents are building a reputation as an outstanding dance team. They have been working on a new look with some different type routines. These dedicated girls practice diligently to perfect their talent. They sponsored a JA Night with the Jackson Mets as their first performance. Their main job is to represent Jackson Academy well at the football games. The girls have a good attitude and a desire to be the best. The enthusiasm is catching as the Accents look forward to another successful season.

Basketball

The Varsity basketball team had an outstanding year, finishing with a record of twenty-six wins and only eight losses. They won the JA New Year's Classic, finished second in the South AAA Tournament, won the State AAA, and placed third in the Overall tournament, losing to Overall champion Brookhaven in the semi-finals.

The team was led by Brad Tannehill, now a cadet at the US Air Force Academy. Tannehill was All South AAA, All State AAA, All Overall, a MPSA All-Star, and the Clarion Ledger Metro Academic Player of the Year. Junior Mike Semko, the sole returning starter, was named to the All South AAA, the All State AAA along with John Oxley, and the All Overall. Coach Steve Simmons was named State AAA Coach of the Year.

Despite only one returning starter, the Raiders are the favorite to win their conference. As last year's talented bench becomes this year's starters, the squad expects to begin another championship campaign.

Jackson Academy Lady Raiders ended a successful season in 1988-89 with a 26-6 record. They won the Rebel Classic, Simpson Tournament and were Runner-Up in the JA New Year's Classic and South AAA Tournament. Kerri Quayle, Owen Edmondson and Kimandria Moody were selected to the All South AAA tournament team, AAA All Conference team and selected to play in the All Star game. Owen Edmonson was also selected to the State AAA tournament team and named to the Metro and State All Academic team.

After losing four starters, the Lady Raiders face a tough challenge for 1989-90 season because of the difficult schedule. Senior leadership and aggressive defense will once again be strong points in the success of the team. The only returning starter will be point guard Meg Brown, who received All Conference South AAA honors, South AAA Tournament team honors and honorable mention All Metro Academic team.

With the surrounding of dedication, determination and desire to be successful, the Lady Raiders will be striving for another great year.

Junior High Boys Basketball

Last year's Junior High Boys basketball team had a very successful year. They finished with a record of twelve wins and eight losses. The team also finished second in the South AAA.

With new talent coming up, the team is looking to improve upon last year's success. The outside shooting should be outstanding, and this group will have a little more size than last year. With good enthusiasm, this could be a team to go all the way.

Junior High Girls Basketball

As in the past, the Junior High girls basketball team had an outstanding season, posting a 16-3 record. The team played very well down the stretch, winning every game after Christmas, including the South AAA final.

Even though only one starter is returning, Stephanie Clark, the team should once again be competitive. The conference should be more balanced this year, and the Lady Raiders look to be in the thick of things. With dedication and teamwork, the team looks again to compete for the title in 1989-1990.

The baseball team improved dramatically from their 1988-89 campaign, posting a record of 14-10. The Raiders were led by All Conference players Lear Despeaux, Chris Lamb, Doyle Bryan and Jeffrey Martin.

Looking at the upcoming year, the Raiders should contend for the South AAA title, as only one player graduated. With eight returning starters, JA will field one of the strongest teams in the state as they look to win their third state title since 1985.

Varsity Boys Track

Clyde Adams
Track Coach

In 1989, the Varsity track team was very young and lacked the numbers of other squads. Discipline, responsibility, and dedication were the main reasons for the competitive nature of the team. The team qualified eleven people for thirteen events in the State AAA meet in Greenville. Brad Tannehill won the 800 meters, and the 3200 meter relay of Lewis Lipscomb, Greg Johnston, Brad Edwards, and Tannehill finished second in the state. Tannehill failed to lose a race in the 800 all season.

Even next year, the team will be young, but better conditioned athletes, along with greater numbers should improve the overall competitiveness as the track team looks forward to another challenge in 1990.

Once again, the Varsity girls track team simply blew away the competition. Led by state champions Suzanne Greer, 100 hurdles; Christy Hunter, 200 meters and long jump; and Stephanie Clark, mile; the team won the South AAA, the Hillcrest, Prep, and MRA Invitationals, and placed second in the Overall meet.

This team will once again be the team to beat in the South AAA, as almost all of the members are returning. With strength in the field events, distances, and sprints, the Lady Raiders once again set their sights on another championship season.

Junior High Boys Track

The Junior High Boys track team had a very successful year. They won the Canton Invitational, and placed second or third every other time, including a second place finish in the South AAA.

Next year's outlook is still good despite the loss of some key sprinters, but the outstanding distance runners should keep the team strong. Hard work will be necessary, but the payoff will come.

Junior High Girls Track

The Junior High girls track team had an outstanding season. With strong performances in field events, sprints, and distances, they captured their third consecutive South AAA title. In addition, they finished first in the Hillcrest, Prep, and Canton Invitational.

Surprisingly enough, last year's team was very young. Many of the same performers will be back. Also with the new seventh and eighth graders coming up, the team looks as strong as ever as they shoot for their fourth consecutive title.

Girls' & Boys' Cross Country

The cross country team turned in another excellent season. Despite stiff competition from around the state, the girls won the overall title, and the boys placed third.

The girls team looks once again to be champions in 1989, as everyone of the runners from last year's group are returning. The boys are going to have to push themselves, because a number of runners from last year's squad graduated. However, the thought of hard work will not deter this group, as they prepare for another great year in 1989.

Golf

Mike Morgan
Golf Coach

Although the golf team suffered some early season disappointments, they began playing the game to the best of their capabilities. The season finished a smashing success with the team placing second in both the South AAA, the State AAA, and the Overall Tournament.

For the first time in four years, the golf team will be lacking in older players, as many were lost to graduation. However, the younger players have been on the team for a few years, and with a little more instruction will be able to carry on the fine tradition of Jackson Academy golf.

Soccer

The soccer team concluded their third straight outstanding season with a record of 14-2-1. They won the Greenville Invitational tournament in December, and placed second in the State AAA tournament. This was the third year the team had finished either first or second in the state. Peyton Lockey, Brad Edwards, Rob Hosford, Paul Shook, John Griffiths, and Scott Rushton were named All-Conference, and Michael Ross and Arie Struik were Honorable Mention.

After graduating only two starters, the outlook is once again strong for the Raiders. If all goes well, the soccer team once again looks to bring a state championship to Jackson Academy.

SOFTBALL

Interest in the softball team seems to increase annually. This year, seventeen girls from grades seven through twelve dressed out for the Lady Raiders. They played twenty-seven games, and played in the first Invitational State Tournament in Greenwood.

As the numbers increase, so does the strength of the program. The team will have twelve returning players. This experience will be invaluable as the softball team looks to having a successful season.

Tennis

The tennis team finished with a highly respectable 8-5 record last year, playing a very difficult schedule. The five matches they lost were all by a score of 5-4. The team played best when it counted, though, with the boys winning the South AAA, and the girls being the runner-up.

The tennis team once again looks to be strong come spring, as only one girl and four boys graduated. Due to the intensified interest in tennis, the team hopes to take a trip out of state next year in addition to their regular schedule.

Swim Team

Sharon Clark
Head Coach

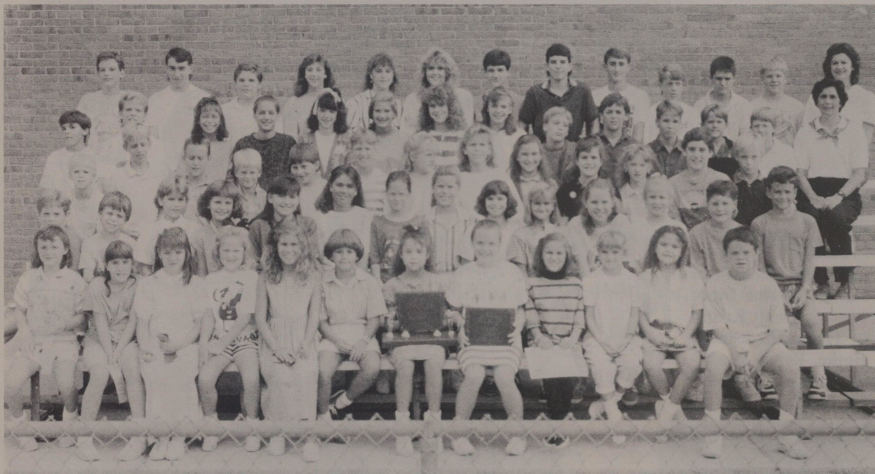

The Swim Team had another banner year for Jackson Academy, as they won their unprecedented eleventh consecutive conference meet. David Ferris, Dee Russell and Claire Smith all set new MPSA records at the meet. The Boys 100 free relay record was set by David Ferris, Richard McRae, Jeffrey Rhoden and Dan Singletary. The Girls 100 free relay record was set by Claire Smith, Kenda Almefty, Allison Cook and Dee Russell.

Caroline Scott won the high point award for grades 1-3, and Dee Russell won the high point award for grades 4-6.

The swim team has had a tradition of winning at JA, and it should continue. The upper level (fourth through sixth grade) will be very strong, as a number of young swimmers are rapidly progressing. If this progress continues, we can look forward to another championship next year.
