## 32 Years of Service

On August 20, 1990, Jackson Academy will begin its 32nd year of providing quality education to young people in our community. When it was established in 1959 to offer instruction in the phonetic approach to reading and independent study skills, Jackson Academy had forty students enrolled, and a staff of six.

Today the school offers a full program for students in pre-primer through high school. The enrollment of 1330 is served by a dedicated and capable staff of 135. Both the physical facilities and the academic curriculum reflect this growth and development.

In response to academic and extra-curricular demands, a progressive building program continues. Physical plant additions of the past few years include a lower elementary building, a junior high facility, a band hall, an additional gymnasium, enlargement of the cafeteria, an expanded elementary library, additional office space, and enhanced athletic facilities.

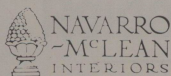

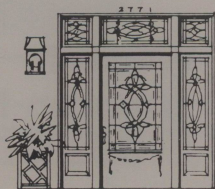

The primary concern of Jackson Academy's Board of Trustees and Administration is to provide for the diverse interests and goals of all the students.

Jackson Academy's academic strength lies in systematic, thorough instruction in basic skills with supportive services, and enrichment programs. As the

curriculum advances, greater diversification of subject matter is offered in the arts, sciences and in the development of professional skills. Our outstanding athletic program consists of football, basketball, baseball, soccer, track, cross country, tennis, swimming and softball. Opportunities for team participation and individual achievement are highlighted with interscholastic competition.

With a deep sense of respect for past ideals, a realistic awareness of present needs, and a purposeful anticipation of future expectations, Jackson Academy offers the challenge of excellence in education.

**MR. PETER JERNBERG**  
**Jackson Academy Headmaster**

Dear Friends:

Jackson Academy was established in 1959 as an independent day school. It was created for and is dedicated to the education of boys and girls, pre-school through senior high.

Through the diligent and unselfish efforts of many people, the school has grown to include a thirty-eight acre campus serving over 1330 students with a staff of 135.

The first priority at Jackson Academy is the education of the student. Education at Jackson Academy is a process that stresses commitment and cooperation, that makes clear the interdependence of academic and extra-curricular pursuits and places high value on integrity, achievement, and growth.

It is paramount that we demonstrate positive support for all aspects of our extra-curricular program. This can best be done through offering encouragement to those students participating and by reflecting wholesome conduct at all JA activities.

The Jackson Academy Athletic Booster Club continues to be a vital part of our support program. We recognize them, not only for this support, but also for their interest in and encouragement of our student athletes.

Jackson Academy considers it a privilege to have you visit our campus for athletic events. We also invite you to attend and support other JA activities that involve our fine student body.

Sincerely,

A handwritten signature in cursive script that reads "Peter Jernberg". The signature is written in dark ink and is positioned above the printed name and title.

### Junior High Cheerleaders

The Jackson Academy Jr. High Cheerleaders begin working long before the school year begins. The girls practice much of the summer in preparation for Cheerleader Camp. This year the squad attended camp at Mississippi College, the squad was nominated to participate in the Award of Excellence competition on the last day. Two members of the squad were nominated for All American Cheerleader; they were Loris Nejam and Cameron Hatchett. Loris Nejam was named Ms All-Star.

The main function of the cheerleaders is to increase school spirit and student involvement in school activities. The group practices hard during both the summer and school year. They spend a lot of time working on cheers, planning pep rallies, painting signs, and conducting fund raisers. This is a group of girls who work hard to support their school and show that dedication and hard work makes a great team.

## ★ GREAT NEWS ★

The JA athletes have never worked harder in preparation for their seasons. The challenges of off-season programs have been enthusiastically accepted and magnificent results are evident.

The JA staff has never been more qualified, more experienced nor more excited about their athlete's work ethic. This year's coaching staff compares favorably on all fronts.

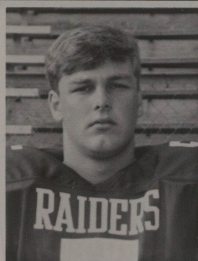

The JA patrons have never been more willing

to give of their time and resources. The Board of Trustees and the Athletic Booster Club is demonstrating in a tangible manner their overwhelming support. The JA athletic facilities have never been better.

## Varsity Football

**Coach Kim Alsop**  
Varsity Football Coach

The 1990 Football Season sets JA in a very challenging position. First we gave an eleven game schedule; second we play six new high schools; third, we play five top teams in our divisions, two of them finishing number 1, Parklane and number two, Jackson Prep.

I would say that is a challenge!

Since our last game of 1989, our returning players, our JV squad that moved up and several new prospects have given us good depth at all positions.

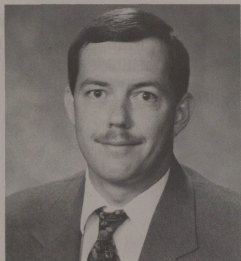

We had a good spring practice, a good off season strength and conditioning program, therefore, I believe our players are showing they want to improve, and I expect them to do just that, improve.

Our entire staff and I wish to thank you for your support to JA and our football teams.

## Play-By-Play — Lee Adams

We are fortunate once again to have Lee Adams as the voice of the "Fightin Raiders".

In 1990 you can hear all JA football games, both home and away on 1450 AM WJXN!

For details on obtaining Audio cassettes of JA Football write: Lee Adams, 4555 Holly Drive, Apt. F-1, Jackson, MS 39206 or call 366-4454.

## — Loyalty —

*If — you work for a man, in heavens name work for him: speak well of him and stand by the institution he represents...remember-An ounce of loyalty is worth a pound of cleverness ...if you must growl, condemn, and eternally find fault, resign your position and when you are on the outside, criticize to your heart's content...but as long as you are a part of the institution do not condemn it...if you do, the first high wind that comes along will blow you away, and probably you will never know why.*

### Basketball

The Varsity basketball team approaches the coming season with great anticipation. The Raider program begins a new era under the direction of Stan Jones. The team will feature five seniors. Two who started much of last year, Pettey Hardin and Brian Clark. Depth and talent will be added from an outstanding group of juniors and sophomores.

## Junior High Boys Basketball

Jackson Academy Junior Boys had an outstanding season, posting a 15-6 record. The team played very hard after the Christmas break posting 8 wins and 2 losses, while finishing second in the South AAA tournament. The conference should again be balanced this season. With the talented group coming up, the Junior Raiders should be fighting for the title in 1990-91. Hard work and dedication will help carry on the fine tradition of Jackson Academy Basketball.

### Baseball

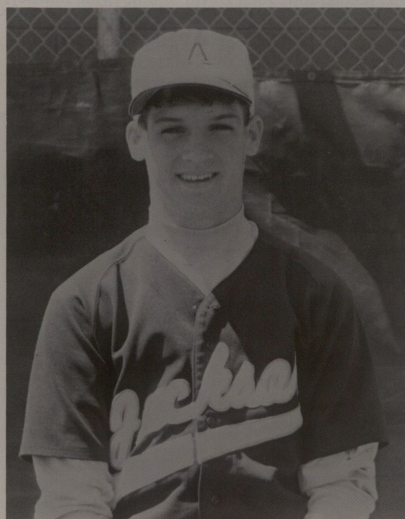

Steve Renfrow will begin his first season as Head Baseball Coach at Jackson Academy. Coach Renfrow comes to Jackson Academy from Clarke Jr. College, where he led the Panthers to a 1990 National Ranking.

Renfrow will inherit basically a young Baseball Squad. For the Raiders to be championship contenders we must get excellent "Senior" leadership. We must be willing as a team to go that extra mile. "Do whatever it takes to be physically and mentally ready to play **every day**." If we do these things and our key positions (pitching and catching) come through, we're looking a State AAA Championship Year, something the Baseball Raiders haven't experienced since 1985.

## Varsity Boys Track

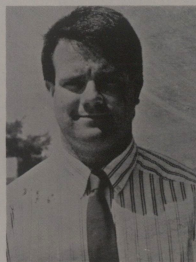

Clyde Adams  
Track Coach

The 1991 JA Track squad has a very promising spring in which to look forward.

Returning approximately twenty of twenty three participants from last years squad, we have gained valuable experience in most areas of the track and field events.

The loss of three seniors in middle distance and distance events will be a main target to replace team captain, Lewis Lipscomb, Raider award winner, Scott Pedigo along with miler Jason Rutherford.

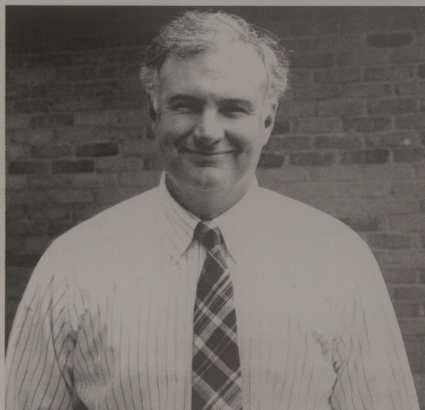

A great commitment from our returning squad members could result in a very successful season.

Kyle McLain

## Strength Program

In this world of Interscholastic athletics, the "bigger-faster-stronger" athlete is what every sports program is looking for and here at JA we are no exception.

Our football program, therefore, believes in a sound strength training philosophy that when followed will develop our student athletes to their fullest potential as they continue to mature physically.

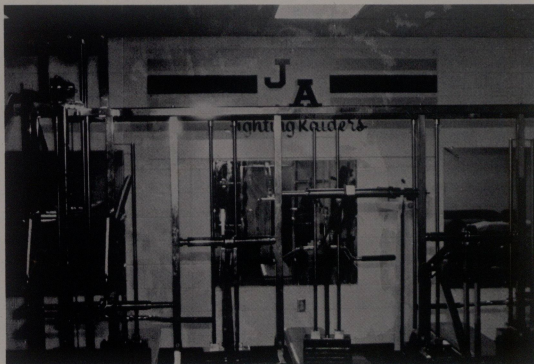

Our fundamental goal is to put the best physically conditioned athlete on the field. He must have strength, muscular endurance and cardiovascular endurance in order to accomplish this goal. It is with sincere thanks to our Board of Trustees, School Board and several other people that we have two outstanding facilities to meet these goals in strength training.

First is our air-conditioned "machine room" and secondly is our new 2,000 sq. ft. "iron room." Each has their own specific purpose and function. Our machine room is a multi station strength facility used primarily by all our physical education classes male/female and by our basketball teams in addition to our junior high football squads.

Our iron room is used by our physical education classes and varsity football team.

It is important to remember that these facilities are for students and not just our athletes.

On behalf of our football staff we say thank you, to all of those who made possible our strength facilities.

## Soccer

**Chris Tucker**  
Soccer Coach

The 1989-90 JA soccer team enjoyed another outstanding year as a team filled with seniors again brought home championships. The Raiders' record was an impressive 17-1-1. The offense scored 112 goals, while the defense gave up just 10. The Raiders were the Greenville Invitational champions for the second year in a row and brought home their second state

championship in three years. The 1990-91 Raiders have a solid core of underclassmen to build around and we expect to achieve another successful year.

## Swim Team

**Sharon Clark**  
Head Coach

Jackson Academy's 1989 Swim Team won the M.P.S.A. State meet for the twelfth year in a row. Our high school team did an outstanding job, with Fred Morris setting a new record in the 200 freestyle. The elementary team did a super job by winning many of their events, with the girls 4-6 100 medley relay team setting a new record. The girls on this relay team were Allison Cook, Lauren Newton, Claire Smith and Dale Decker. JA's elementary teams hold a total of 13 records in the various events. Also Fred Norris, Claire Smith and Leigh Newton won the high point plaques for their age divisions.

We are certainly proud of their past accomplishments and look forward to some outstanding performances by our swimmers this next year.
