33 Years of Service

On August 19, 1991, Jackson Academy will begin its 33rd year of providing quality education to young people in our community. When it was established in 1959 to offer instruction in the phonetic approach to reading and independent study skills, Jackson Academy had forty students enrolled, and a staff of six.

Today the school offers a full program for students in pre-primer through high school. The enrollment of 1320 is served by a dedicated and capable staff of 135. Both the physical facilities and the academic curriculum reflect this growth and development.

In response to academic and extra-curricular demands, a progressive building program continues. Physical plant additions of the past few years include a lower elementary building, a junior high facility, a band hall, an additional gymnasium, enlargement of the cafeteria, an expanded elementary library, an elementary computer laboratory, additional office space, and enhanced athletic facilities.

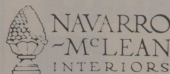

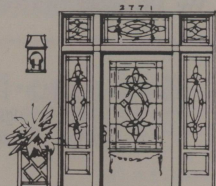

The primary concern of Jackson Academy's Board of Trustees and Administration is to provide for the diverse interests and goals of all the students.

Jackson Academy's academic strength lies in systematic, thorough instruction in basic skills with supportive services, and enrichment programs. As the

curriculum advances, greater diversification of subject matter is offered in the arts, sciences and in the development of professional skills. Our outstanding athletic program consists of football, basketball, baseball, soccer, track, cross country, tennis, swimming, volleyball and softball. Opportunities for team participation and individual achievement are highlighted with interscholastic competition.

With a deep sense of respect for past ideals, a realistic awareness of present needs, and a purposeful anticipation of future expectations, Jackson Academy offers the challenge of excellence in education.

MR. PETER JERNBERG
Jackson Academy Headmaster

Dear Friends:

Jackson Academy was established in 1959 as an independent day school. It was created for and is dedicated to the education of boys and girls, pre-school through senior high.

Through the diligent and unselfish efforts of many people, the school has grown to include a thirty-eight acre campus serving over 1300 students with a staff of 135.

The first priority at Jackson Academy is the education of the student. Education at Jackson Academy is a process that stresses commitment and cooperation, that makes clear the interdependence of academic and extra-curricular pursuits and places high value on integrity, achievement, and growth.

It is paramount that we demonstrate positive support for all aspects of our extra-curricular program. This can best be done through offering encouragement to those students participating and by reflecting wholesome conduct at all JA activities.

The Jackson Academy Athletic Booster Club continues to be a vital part of our support program. We recognize them, not only for this support, but also for their interest in and encouragement of our student athletes.

Jackson Academy considers it a privilege to have you visit our campus for athletic events. We also invite you to attend and support other JA activities that involve our fine student body.

Sincerely,

A handwritten signature in cursive script that reads "Peter Jernberg". The signature is written in dark ink and is positioned above the printed name and title.

Andrew Flatgard

Andrew Flatgard was recently elected president of the American Legion's 45th annual Boys Nation. Flatgard is the first Mississippian to hold the position. The election was held on July 23, at Marymount University, Arlington, VA. He also serves as President of the Mississippi Private School Association of Student Councils and is currently the Governor of Boys State.

LEAD SENIOR HIGH SCHOOL: Elected officers for the Jackson Academy Senior High Student Council this year are from left, back row: Justin Lohmeier, Vice President; Jenny Jernberg, Secretary; David Morris, Treasurer; Shelley Low, Reporter; Dodds Dehmer, President.

LEAD JUNIOR HIGH: Elected as officers for the Jackson Academy Junior High Student Council this year are from left, back row: Bradley Pratt, Vice President; Emily Phillips, Treasurer; Andrew Newcomb, President; Angie Stubblefield, Secretary; Jamey Burrow, Reporter.

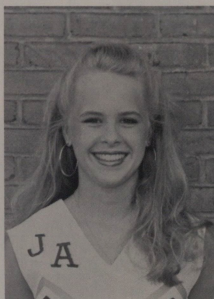

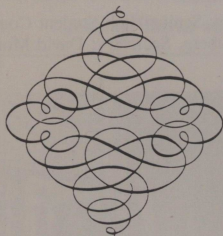

Jackson Academy's varsity cheerleaders won the top trophy, Award of Excellence, recently during the National Cheerleaders Association Co-ed Camp at Louisiana Tech. They also won the Best-All-Around Squad Award and the Achievement Award. Avery Edmonson, Suzanne Greer, Holly Hughes and Nan Frascogna were chosen for the All-American Team.

The cheerleaders plan to compete at the Mississippi State Fair Competition in October and represent the school well.

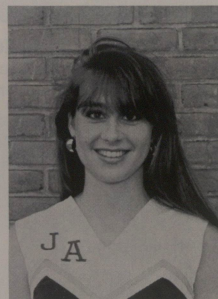

They are looking forward to football games, fifth quarter parties and basketball games in which the whole squad plans to attend this year! We look forward to a great season!

★ RAIDER PRIDE ★

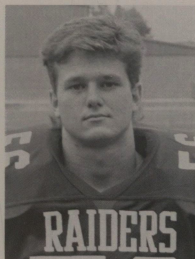

Late summer and early fall are exciting times for students in all areas of our wonderful country. However, the enthusiasm of returning to school and renewing acquaintances is surpassed by the excitement of high school athletic competition.

We are fortunate to have the quality athletes representing our school that repeatedly showcase us in many outstanding ways. As ad-

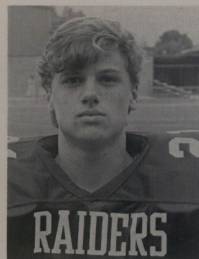

ministrators, patrons, friends and students of Jackson Academy, we are charged with the responsibility of supporting these athletes in every feasible manner.

As we welcome our visitors to the campus, let's keep keen competition and sportsmanship foremost in our minds. Surely, our goal will be to display the true fighting Raider spirit while conducting ourselves as gracious hosts.

Varsity Football 1991

Coach Kim Alsop
Varsity Football Coach

As our new season begins, I think, just what does it take to be a "winner", not just in football, but more importantly in life?

This one word came to my mind immediately - "unity."

Unity of purpose is characteristic of the team that wins. The teams that have the greatest degree of **unity**, who can **play** together, **work** together, and **function** smoothly, are the teams who become winners. These are the teams who play with **unity** and are feared the most, though they may not possess great ability or players who individually stand out. Their success does not depend upon the ability and talents of one or two. Their **strength** is in the **unity** with which they move into the contest, **facing the challenge together**.

This is how I view our "91" team, "All for one and one for all", though to beat a team that is willing to give their best for the team and not self.

Join with us in 1991, and **stand united** for our JA FIGHT'N RAIDERS.

WINNING

No Team Ever Took The Field For Any

Other Reason Than To Win.

The Purpose And Reason For Taking The Field,

Even Under The Most Uncertain Circumstances

Or The Highest Odds, Is To Win The Contest.

Here Is The Characteristic Of A Winning Team:

Any Team That Wins Has Team Members

Who Are Willing To Lose Everything.

They Play With Reckless Abandon, With All They

Have, **Literally**, To Lose Themselves That The

Team Might Win.

We Play To Win!!

Extra Help for Older Adults

Gardening, relaxing, visiting friends. For some older adults, taking advantage of these enjoyable activities may require a little extra help.

Oxford HealthCare can help your loved one continue to live on their own, without being alone.

We can provide a skilled caregiver to help out with chores such as laundry and shopping. Or, we can assist with personal care like grooming and dressing. We can even send an Oxford Nurse or Home Health Aide to offer several professional, physician-directed health care services.

Give someone the gift of independence with a friendly, flexible caregiver from Oxford HealthCare. A prescription for feeling right - at home.

"Do it again — " this phrase is heard many times during long days of practice. Hard work and dedication go a long way to perfect this 34-member dance team. The Accents put in many hours in the summer and fall to make their routines come together. Good attitudes and a common goal of being the best are what brings them closer as a group. We attended camp at Auburn this summer and brought home many team awards: the superior home routine plaque, the sweepstakes trophy, the "award of excellence", the precision drill evaluation plaque, and the 'shining star award.' The NCA Super-star nominees include: Courtney Dickerson, Heather Slay, Kristi Patrick, Melinda Lucas. Melanie Petro received a gold medal in the Drill-Down Competition.

Varsity Boys' Basketball

The excitement of a new year is upon us. An off-season of preparing to do our best is behind us. The challenge of competition is before us. How will we respond?

This question has gone through the mind of second-year head coach, Stan Jones, many times. The answer lies in the quality of preparation, the commitment to excellence, and the togetherness of a group of young men united in a common goal of "being the best."

A solid nucleus return from last year's South AAA runnerup squad. The Raiders return four seniors who made significant contributions last season. Combining with them are a group of talented underclassmen from our once beaten B-team and our undefeated ninth grade squad.

Expectations are higher this year. A summer of stability and knowing what to expect has matured us. Our greatest challenge lies ahead. It's a challenge of our self-determination to prepare through hard work for the competition. That kind of commitment to work allows you the chance to win. We must possess a tremendous will to prepare to win. For even if a desire to be successful is present at the moment of competition, those who are unprepared to meet the challenge have little chance of winning. **DON'T STOP BELIEVING!**

Varsity Girls' Basketball

The 1990-91 season was one filled with many great moments as the Lady Raiders posted 37 wins against only 2 defeats. Through diligent work, tremendous attitudes, and true commitment the Lady Raiders had some outstanding season highlights. These highlights include a 35 game winning streak, 2 invitational tournament championships, 10-0 conference record, South AAA regular season and tournament titles, the State AAA Championship, and runner-up in the over-all tournament.

The five seniors who graduate from this team are Leslie Atherton, Amelia Gamblin, Laura Leverette, Deidre Parker (Most Valuable Player in the South AAA, South AAA tournament team, State AAA tournament team, MPSA All-Star), and Shane Foshee (All conference South AAA, South AAA tournament team, State AAA tournament team, Over-all State tournament team, MPSA All-Star, Clarion-Ledger Metro Academic Player of the Year).

The Lady Raiders face a tough challenge for the 1991-92 season. Senior leadership and aggressive play will once again be important in the success of the team.

Our Lady Raider Basketball Team prides itself in our demonstration of commitment, discipline, desire, and true sportsmanship. These qualities have served as the foundation of our program. Although the 1991-92 season promises to be a challenging one, we anxiously await the task at hand.

Come be a part of our program!

The 1990-91 Jackson Academy Junior Raiders won the South AAA championship ending the season with a very impressive 17 wins and no defeats.

The 1991-92 Junior Raiders look forward to the season, and are eagerly anticipating the challenge as defending champions. The rising ninth graders have similar talent and athletic ability. If the 1991-92 team will continue to exhibit leadership and dedication we will be a contender.

JR. HIGH GIRLS BASKETBALL 1991-92. From left, back row: Whitney Belew, Merideth Pratt, Jenny Gilbert, Caroline Guyton, Mary Frances Robinson, Jennifer Gaddis; front: Laura Schmelzer, Vanessa Lackey, Lisa Reynolds, Lindsey Swarengen, Brandy Quinn, Kristen Kennedy, Catherine Watson.

The 1990-91 Junior High girls had a very successful season. The girls played hard every game and showed great improvement toward the end of the year. The 1991-92 Junior High girls are anxiously awaiting the upcoming season. Because of the tough conference schedule, it will be a great challenge for these girls. With dedication and hard work, the Junior High girls are anticipating another successful season.

We are very excited about the upcoming baseball season. With the strong finish we had last year, we're expecting the momentum to carry over into the 1992 season.

Five starters return for the '92 campaign, which along with several players who received valuable playing experience last season, will form an outstanding group of optimistic Raiders.

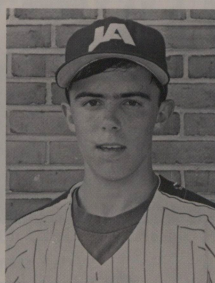

With hard work, we should be much improved.

Graduation losses in 1991 will be difficult to replace. These include Mark Gable, MVP in field events, Brett Davis, MVP in running events, Mike Frascogna, top sprinter over the past two seasons and John David Smith, hurdler.

The positive side will be the return of Raider award winner Jason Branning, Most Improved, Barney Eaton and Coach's Award recipient, Brad Madden.

Other 1991 returning lettermen include, Brian Ramsey, Chris Young, Arthur Jones, Jason Hitt, Brad Ball and Ryan Keifer.

Add, to this, a group of very competitive 1991 Junior High District runnersup, which should reinforce our track team to become the most challenging in recent years.

Ray Higgins
Track Coach

The 1991 varsity girls' track team should be very competitive and exciting. The 1990 squad won every meet, including the South AAA championship and the State AAA championship. Some of the returning team members are: Patricia Doty, Ashley Belew, Melissa Hunter, Emily Robertson, Mandy Yarborough, Ashley Spinks, Amanda Reeves, Dana Mills, Cori Brown, Amanda Mixon, Loris Nejam, Allison McIntyre, and Amie Bullock in the sprints; Stephanie Clark, Jeanette Burke, Suzanne Greer, Shea Lemons, and Nan Frascogna in the hurdles; and Jennifer Blount in the field events. This team's dedication and courage will guide them toward a great spring track season. The girls are coached by Ray Higgins and Jan Sojourner.

Golf

The 1992 golf team is looking forward to a very competitive spring.

Two golfers from the 1991 season were lost to graduation, Jason Mattiace and Eric Welsh. Jason and Eric showed outstanding leadership while taking the team to the State Tournament.

Returning for the 1992 season will be Junior Robert Broussard and Sophomores John Decker, Carter Callaway, and Clay Summerford. As these young golfers develop and assume leadership, it will make for an exciting 1992 golf season.

Strength Program

In this world of Interscholastic athletics, the “bigger-faster-stronger” athlete is what every sports program is looking for and here at JA we are no exception.

Our athletic department therefore, believes in a sound strength training philosophy that, when followed, will develop our student athletes to their fullest potential as they continue to mature physically.

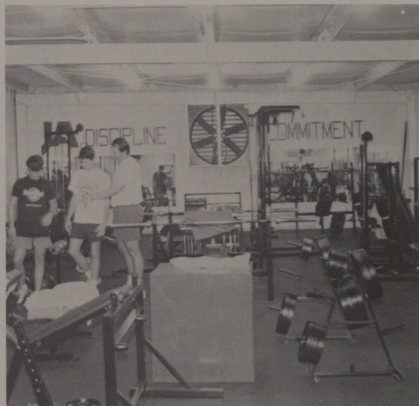

Our fundamental goal is to enter the best physically conditioned athlete into competition. He must have strength, muscular endurance and cardiovascular endurance in order to accomplish this goal. It is with sincere thanks to our Athletic Boosters Club that we have two outstanding facilities to meet these goals in strength training.

First is our air-conditioned “machine room” and secondly is our new 2,000 sq. ft. “iron room.” Each has their own specific purpose and function. Our machine room is a multi station strength facility used primarily by all our physical education classes male/female and by our basketball teams in addition to our junior high football squads.

Our iron room is used by our physical education classes and varsity football team.

It is important to remember that these facilities are for students and not just our athletes.

On behalf of our entire athletic staff we say thank you, to all of those who made possible our strength facilities.

The 1990-91 Raiders sported a 10-3 record and a third place finish in the State Overall Tournament. The 1991-92 Soccer team has several starters returning, and are looking forward to an exciting, rewarding season. JA placed three players on the All Star team and four players named as honorable mention. All of these players are returning except two.

The 1991-92 Raiders will be striving to challenge for another State Title as they

continue in the excellent tradition that has come to be associated with JA Raider Soccer.

Softball

The 1991 season was one of rebuilding for the Lady Raiders softball team. With only three high school players on the team, the Lady Raiders were forced to rely heavily upon junior high players. Through hard work and commitment to a "team approach", the play of the Lady Raiders steadily improved. With the return of all ten starters, the 1992 season promises to be one of excitement for Lady Raiders softball.

TENNIS

If there is any advantage in numbers, our 1992 edition of the Jackson Academy Tennis Team should capitalize on it. Without a doubt there is unprecedented interest in tennis.

While we have some very capable veteran players that will be called upon to stabilize and lead our team, also vying for the varsity positions are a very healthy number of younger tennis enthusiasts.

Next spring's team will be a very competitive group that look to be in the thick of the race for the conference titles.

13th STRAIGHT WIN for State Wide Title. Jackson Academy's Swim Team has won the overall state-wide championship for the thirteenth year in a row. They also won the elementary division with 847 points, followed by Jackson Prep with 551 points. Team members also copped five state records. Swim Team

Not many teams at any school can proclaim thirteen consecutive state championships. That is exactly what our swim team has accomplished.

This fall's team should again be in contention for the MPSA Swim Championship. An area of special interest is the Junior and Senior high age group. While our success has been and surely will continue to be based on our outstanding elementary groups, we need a push to keep our older kids involved with the JA Swim Team.

We are anxiously awaiting this year's competition to watch both groups pull together for number 14.
