34 Years of Service to Families

Jackson Academy is now in its 34th year of providing quality education to young people of the community. At the same time, the school continues its commitment of service to the families who have chosen to be a part of the extended family of Jackson Academy.

From the time of its establishment in 1959 to the present, Jackson Academy has grown from an enrollment of forty students and a staff of six to this year's record enrollment of 1375 served by a staff of 143. The physical facilities as well as the curriculum reflect this

growth and development, as the school offers a well-balanced program for students in pre-primer through high school

In response to expanding academic and extracurricular demands, a progressive building program continues. Physical plant additions of the past few years include a lower elementary building, a junior high facility, a band hall, an additional gymnasium, enlargement of the cafeteria, an expanded elementary library, an elementary computer laboratory, additional office space, and enhanced athletic facilities. Even more growth is anticipated in the future, as Jackson Academy positions itself as the leader in meeting the exciting challenges of education in the 90's.

The Board of Trustees and the administration of Jackson Academy desire to assure that the diverse interests and goals of all students continue to flourish along with the student's development in every area. Our mission is to create a balanced and nurturing environment in which each student

is valued and is challenged to become a responsible citizen who can achieve his intellectual, spiritual, emotional, social, and physical potential. A true adherence to this mission statement gives the Board and administration direction as they define their vision for the future of the school.

Jackson Academy's academic strength lies in systematic, thorough instruction in basic skills with supportive services and enrichment programs. As the curriculum progresses, greater diversification of subject matter is offered in

the arts and sciences and in the development of advanced skills. Highly qualified teachers and an environment that provides for individual attention to students assure instructional excellence and a superior education.

Extracurricular activities enhance this education and contribute to memorable and fun-filled years for the Jackson Academy student. Our outstanding athletic program offers football, basketball, baseball, soccer, track, cross country, tennis, golf, swimming and softball. From team participation J.A. athletes learn many valuable lessons and develop meaningful associations. In addition to athletics, Jackson Academy offers a myriad of opportunities in the performing arts, scholastics, and much more.

With a deep respect for traditional family values, a commitment to meeting the present needs of our students, and a heartfelt vision for the bright future of our school, Jackson Academy is a community that enthusiastically embraces the challenges of excellence in education.

MR. PETER JERNBERG Jackson Academy Headmaster

Dear Friends:

Jackson Academy was established in 1959 as an independent day school. It was created for and is dedicated to the education of boys and girls, preschool through senior high.

Through the diligent and unselfish efforts of many people, the school has grown to include a thirty-eight acre campus serving over 1375 students with a staff of 143.

The first priority at Jackson Academy is the education of the student. Education at Jackson Academy is a process that stresses commitment and cooperation, that makes clear the interde-

The Jackson Academy Athletic Booster Club continues to be a vital part of our support program. We recognize them, not only for this support, but also for their interest in and encouragement of our student athletes.

Jackson Academy considers it a privilege to have you visit our campus for athletic events. We also invite you to attend and support other JA activities that involve our fine student body.

Sincerely,

Peter Jernberg Headmaster

* RAIDER PRIDE *

Our school finds itself in a position of leadership within the Mississippi Private School Association. Because of the school's large enrollment, the tremendous academic success being experienced by our graduates, the vast improvements in our facilities, and the athletic championships being won, JA has been cast into a high profile roll within our city and state.

Along with these successes come many responsibilities. None more important than that of sportsmanship. This area deals with the behavior of students, staff, parents and patrons of our school. Some thoughts concerning this important area are noted below. Let's keep these ideas foremost as we continue to climb the latters

of success in all areas.

Experienced competitors have listed things that take away from good sportsmanship.

1) Jeering the opposition; 2) Disrespectfully addressing officials, opposing coaches or players; 3) Booing; 4) Negative signs; 5) Coaches "working" officials; 6) Players cursing or talking "trash" during competition; 7) Unauthorized visits to other campuses; 8) Fighting.

Something can be said for being a good loser. Much more importantly, knowing how to win humbly and graciously is an art worth the hard work necessary to attain it.

Varsity Football 1992 Can Do IN "92"?

Coach Kim Alsop Varsity Football Coach

The 92 season looks promising for the Raider Football Program.

We lost only 8 seniors from last season's 7-4 team, remaining are our junior and sophomore experienced players.

Again we are faced with the lack of "Big" people up front on offense and defensive, however our "Skill" people truly look promising. Therefore our approach to the season will be focused on that area and its development.

Team work, unity, and again all "hard work" are the keys to our success; for that matter any success in life.

We trust you the patrons, parents and student body will stand with us this season as we reach for "another level"

THINK ON THIS!

All your life you are told the things you cannot do. All your life they will say you're not good enough or strong enough or talented enough, they'll say you're the wrong height or the wrong weight or the wrong type to play this or be this or achieve this. THEY WILL TELL YOU NO!

A thousand times no until all the no's become meaningless. All your life they will tell you do, quite firmly and very quickly. They will tell you no, AND —

YOU WILL TELL THEM YES.

Junior Varsity Football

Expectations for the upcoming 1992 Jr. Varsity Football season are high. Returning starters at several skill positions plus an abundance of returning starters in the line can only lead to an outstanding year. Over 40 eighth and ninth graders have been involved in a strenuous strength and speed program since last season. The results have been dramatic. The schedule offers several newcomers. Adams Christian. Columbus Heritage, Indianola, and Manchester, plus the conference matchups verse MRA, Prep, Hillcrest, and Parklane. It will be very challenging.

Accents

The 1992-93 Accents are the largest group ever. We have thirty-five hard working girls who are ready to provide exciting entertainment throughout the year. They have practiced long and hard during the spring and summer in preparation for the coming season. In July the Accents traveled to the NCA Dance/Drill Superstar Camp in Auburn, Alabama where they competed with dance teams from Alabama, Georgia, and Florida. The Accents came home with every award possible — Shining Star Award, Superior Home Routine, Superior Team Dance, Sweepstakes Trophy and the coveted Five Star "Most Admired Team". These Accents were nominated for NCA Superstar: Candace Croswell, Melinda Lucas and Kristen Hosemann. Kristen was chosen NCA Superstar and we are very proud of her.

Jackson Academy Raider Band

The Jackson Academy Marching Band provided entertainment for football fans at the J.A. football games during the 1991 season. The band competed in the Heart of Dixie Marching Festival in Montgomery, Alabama, bringing home awards for Best Horn Line, Best Drum Line, Best Color Guard, and Best Band in Division I of the contest. At the Copiah Academy Marching Festival, the Raider Band captured the Best Horn Line, Best Drum Line and Best Color Guard Awards.

The Jackson Academy Jazz Band entertained at Christmas at the Zoo, Willowood Developmental Center's 20th Anniversary Celebration, the kick-off of the Bush-Quayle Campaign in Mississippi, and various school activities. Thirty-six students participated in a variety of individual and ensemble pieces at the MPSA Solo and Ensemble competition and achieved 1 and 1+ ratings.

The Jackson Academy Concert and Jazz Bands participated in the All American Music Festival in Chicago in the spring and brought home Gold and Silver Medal Trophies respectively. Additionally, the Concert Band was awarded the Sweepstakes Award for the highest score at the Festival.

The 1992 Jackson Academy Band Program includes Beginner (6th Grade) Band, Intermediate Band, and the Marching, Concert, and Jazz Bands.

PRESSURE! In life there are two types of pressure; good and bad. The bad pressure is when you are not prepared, you're not ready for an exam, you go into it, and you're not sure if you can pass. Good pressure is when you have studied the entire semester, you're prepared, you know you are going to get a good grade. The Runnin' Raiders under third-year head coach, Stan Jones, will be ready for this type of pressure as Coach Jones expects his team to be prepared, well-groomed and ready to go.

Much of last year's team pressure — 16 players who dressed on the varsity, including two starters. Other help could come from returning B-team players and a host of potential alent from our freshmen team. A hole needs to be filled in replacing three senior starters from last year who provid-

ed much leadership, both physically and emotionally. This year's strong senior class will need to accept the good pressure of their new roles in our program.

of their new roles in our program.

Jackson Academy Basketball is Back! And the heat is on. But the coaching staff and the boys say the Raiders will be ready.

Congratulations to the 1991-92 Lady Raiders who won the Over-All State Championship. Through diligent work, tremendous attitudes, and true commitment, the Lady Raiders were able to reach each goal that they set for the 91-92 year. The most satisfying moment came when the Lady Raiders defeated their opponent to capture the Over-All State Championship.

There were many outstanding achievements throughout the year. These achievements include 30 wins against 1 defeat, 2 year winning streak on their home floor, 2 invitational tournament championships, 9-1 conference record, south AAA regular season and tournament titles, the state AAA championship, and the most rewarding accomplishment the Overall State Championship.

The seven seniors who graduated from this team are Lisa Carpenter, Avery Edmonson, Suzanne Greer (All Conference South AAA, South AAA Tournament Team, Over-All State Tournament Team, MPSA All-Stat, All Metro Academic Team, All State Academic Team), Laura Lundquist (State AAA Tournament Team, Over-All State Tournament Team, All Metro Academic Team), Whitney Phillips, Mandy Strong, and Margaret White (All Conference South AAA, South AAA Tournament Team, State AAA Tournament Team, MPSA All-Star).

Our Lady Raider Basketball Team prides itself in our demonstration of commitment, discipline, desire, and true sportsmanship. These qualities have served as the foundation of our program. Although the 1992-93 season promises to be a challenging one, we anxiously await the task at hand.

Come be a part of our program!

The 1991-92 Jackson Academy Junior Radiers exhibited much potential during the season.

The excitement of a new year is upon us. The 1992-93 Junior Raiders, after an outstanding eighth grade season, have proven that they possess the ability to have a winning season. A championship for this team is possible if a good work ethic and leaders evolve.

Come visit the Raider Dome and enjoy a night of great basketball.

Little Dribbler: One of the highlights of the second grade is JA's Little Dribbler program. Second graders have the opportunity to learn basketball dribbling skills and perform them to music at the half-time of varsity basketball games. They also have the enriching experience of going to a local college campus and performing at half-time of a college basketball game. Last year's second graders did an outstanding job and the skills they learned, the cooperation and self-confidence they gained have made this a popular activity for these young people. I am sure that the '92-93 second graders will live up to this tradition and JA will have another successful and meaningful Little Dribbler season.

Varsity Baseball

The outlook for the JA Baseball Team is excellent again this year. Based on the fact that nine of the twelve "regulars" are returning from the 1992 AAA State Championship team, expectations are high. In addition to having an outstanding team, the playing field has been upgraded to be as good as any in our conference. These factors combine to make the baseball games the place to be during the afternoons and evenings of the spring.

David Blount Track Coach

Varsity Boys Track

The 1992 Track Team graduated one senior, Brian Ramsey, a double qualifier in the state meet and JA's Best Field Event award winner.

In 1993, Seniors returning will be Jeff Nesbit, Brad Madden, Chris Hunt, Barney Eaton (3rd place state winner in the 1600 meter run), David Lytton (Raider award winner in '92) and Brad Nesbit (1992 Best Sprinter).

Also, returning in 1993, are Juniors Walker Jones (1992 most valuable performer and 3rd place state finisher in the 300 meter low lurdles), Calvin Thigpen (3rd place state winner in the 1600 meter run), Andy Cunningham (5th place in the state high jump). Ingram and McEdmonson along with Cunningham and Thigpen composed a very competitive 3200 meter relay team.

For the first time, in the last four years, JA has an experienced nucleus to build upon.

Encourage them and encourage others to continue to work hard and build this track program to a high position in state competition.

Varsity Girls Track

The 1992 varsity girls' track team should be very exciting and competitive. The 1991 squad won 1st place at the Canton Invitational, 2nd place in all other invitational meets, 2nd place in the SAAA conference meet, and 4th in the overall state meet. Some of the returning members are: Amanda Reeves, Corie Brown, Annie Bullock, Allison McIntyre, and Nan Frascogna in the sprints; Stephanie Clark and Melinda Lucas in the distance; Ginger Van Skiner in the hurdles; and Jennifer Blount and Julie Fennell in the field events. Lori Sowell, Erin Hayne, Amanda Bush, Emily Brown, Allison Smith, and Lindsey Swearengen should be promising sophomores who will add to the team. With these girls dedication and courage, good things are bound to happen. The girls are coached by Ray Higgins.

Golf

The 1992 golf team, with young members, had a successful season including a fourth place in the state tournament. With our young golfers peaking at the end of the season, we look forward to an outstanding 1993 season.

Finishing 1992 in the top six positions were, John Decker, Robert Broussard, Carter Callaway, Mark Markow, Clay Summerford, and Michael Hopping. There will be much competition to maintain those positions by the other hard working members of the team.

Strength Program

In this world of Interscholastic athletics, the "biggerfaster-stronger" athlete is what every sports program is looking for and here at JA we are no exception.

Our athletic department therefore, believes in a sound strength training philosophy that, when followed, will develop our student athletes to their fullest potential as they continue to mature physically.

Our fundamental goal is to enter the best physically conditioned athlete into competition. He must have strength, muscular endurance and cardiovascular endurance in order to accomplish this goal. It is with sincere thanks to our Athletic Booster Club that we have two outstanding facilities to meet these goals in strength training.

First is our air-conditioned "machine room" and secondly is our new 2,000 sq. ft. "iron room." Each has their own specific purpose and function. Our machine room is a multi station strength facility used

Our iron room is used by our physical education classes and varsity football team.

It is important to remember that these facilities are for students and not just our athletes.

On behalf of our entire athletic staff we say thank you, to all of those who made possible our strength facilities.

Barbara West Tennis Coach

Tennis

Tennis is alive and doing well at Jackson Academy. Much interest and great enthusiasm describes the school's tennis program.

Coming off a South AAA Championship, our boys are anxious to step in and fill the big shoes vacated by graduation. They are very confident of their abilities to do so.

The girl's portion of our team returns intact from last season. We look for this experienced group to continue to progress and become even more competitive.

This year's edition of the JA Tennis team will be coached by Barbara West.

Chris Tucker Soccer Coach

The soccer team is sure to continue the success that has been expected of it. Traditionally, the team is at the top of the league during the regular season as well as in the state tournament.

The re-birth of our Jr. High team will surely help Coach Tucker to have some outstanding experienced players each year. Many of the younger players are confident and ready to step forward to show their skills.

Lauri Collins Swim Team Coach

Swim Team

Swimming at Jackson Academy is changing. Not in the fact that the team has won the overall state-wide championship for fourteen years in a row, but in a positive direction where we will have a team that will practice together and swim competitively within Mississippi and adjoining states. This is a pilot program that we hope other MPSA schools will follow. While our "competing" team is breaking new ground, the tradition of JA winning the MPSA meet this fall will be old hat. Coaching our JA swimmers will be Lauri Collins.
