MR. PETER JERNBERG
Jackson Academy Headmaster

Dear Friends:

Jackson Academy was established in 1959 as an independent day school. It was created for and is dedicated to the education of boys and girls, pre-school through senior high.

Through the diligent and unselfish efforts of many people, the school has grown to include a thirty-eight acre campus serving over 1400 students with a staff of 145.

The first priority at Jackson Academy is the education of the student. Education at Jackson Academy is a process that stresses commitment and cooperation, that makes clear the interdependence of academic and extra-curricular pursuits and places high value on integrity, achievement, and growth.

It is paramount that we demonstrate positive support for all aspects of our extra-curricular program. This can best be done through offering encouragement to those students participating and by reflecting wholesome conduct at all JA activities.

The Jackson Academy Athletic Booster Club continues to be a vital part of our support program. We recognize them, not only for this support, but also for their interest in and encouragement of our student athletes.

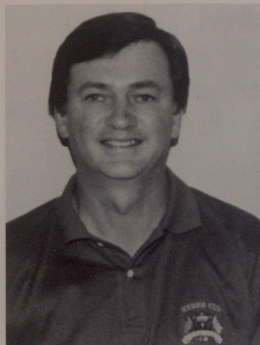

Jackson Academy considers it a privilege to have you visit our campus for athletic events. We also invite you to attend and support other JA activities that involve our fine student body.

Sincerely,

A handwritten signature in cursive script that reads "Peter Jernberg".

Peter Jernberg
Headmaster

Scott Hines
Booster Club President

The Jackson Academy Athletic Booster Club takes pride in the historic role of providing support for all of the JA Athletic programs. In recent years, the efforts of the Booster Club have provided the weight rooms, lights for the baseball field, and audio-visual equipment for the Athletic Department. Our current project is the addition of a new multi-purpose track on the school's East Campus.

As we prepare and look forward to another exciting year of JA Athletics, we wish to thank our entire coaching staff, which we feel is second to none. Our coaches spend many long hours helping our young athletes reach their full potential. Our 1993-94 overall championships in Boys Basketball, Cross-Country and Soccer are indicative of their hard work and dedication.

We also want to thank the patrons of Jackson Academy who give so generously of their time to help in our concession stands or serve as sponsors for a particular sport or Booster Club activity. Without their assistance, the Booster Club could not be an effective support group at JA.

We invite each and every one of you to become members of the Jackson Academy Athletic Booster Club.

Scott Hines
President, JA Athletic Booster Club

FOOTBALL

Coach Sherard Shaw
Varsity Head Football Coach

Varsity Football

The 1994 Football Season offers several new changes for the Jackson Academy Raiders. Gone is the old Seven Team South AAA. The Raiders are now part of the new District III AAA with traditional Rivals Jackson Prep, Madison-Ridgeland Academy, and Hillcrest Christian. The top two teams from this district will enter the playoffs along with the top two teams from District IV AAA. District IV AAA consist of McComb, Parklane, Copiah Academy, Adams County, Christian School, and Central Private School.

Another part of change is new head Coach Sherard Shaw. He is assisted by a very talented group of coaches. David Blount will handle the coordination of the defense, Tom Luke returns to work with offensive, backs and Kyle McLain moved up from the Junior Varsity to work with the offensive and defensive lines.

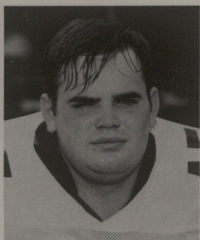

The 1994 Seasons offers some great challenges. It will be a challenge to replace a quality group of graduates headed by Ole Miss Signee Walker Jones. Their leadership will be the hardest quality to replace. Several returning starters have accepted the challenge. Myles Anderton (FB / DF), Andy Etheridge (T), Bo Hrom (T / LB), Stephen Greer (TB, LB), Nathan Graham (G), Joey DuMontier (DT), Matt Allen (WB), John Shackelford (LB), Jefrey LoMeier (TB / LB), and Matt Reinhardt (DT) are several who saw extensive playing time in 1993.

The off-season program has been tremendous. A lot of hard work has gone into becoming bigger and faster. They truly believe that "Hard-working today's create successful tomorrows." There are many obstacles in the way, but we believe we can get the job done in 1994.

“1994 — One Family, One Destiny”

In 1993 the Raiders posted there second straight 9-2 season, but again failed to make the playoffs. We believe this is the year we can go to the next level. You would be proud of the way these young men have worked. We challenged their commitment to **Being The Best**. Six A.M. Weight Workouts, Conditioning, and Technique Practice at High Noon were just a few of their challenges. They responded positively. We have strength in numbers and are determined to be the best. Hard working todays create successful tomorrows. We can't wait. The 1994 season will offer some outstanding opponents. We respect them all, but fear none.

Taking No Prisoners.

Junior High Football

We are excited about Jr. High football and are expecting an outstanding season. The challenge of the 1994 season is upon us and our goal is to be champions! We have many new faces with Head Coach Dan Boyce, Coach Harper Davis, and Coach Mike Guttuso. They are joining Coach Steve Renfrow and Coach Jim Mangum to complete the coaching staff. The players have worked hard this summer with weight training and noon practices. Their attitude and enthusiasm has been outstanding. Our growth in numbers has been tremendous with 50 eighth and ninth grade players and 35 new seventh grade players. The coaches and players have the desire to be the best and carry on the fine tradition of Jr. High football.

Momentum

MOMENTUM is everything. It makes all things possible. In an organization, it converts individuals into a team of dedicated devotion. It lifts and transforms them beyond a personal interest and unites them in a common cause.

MOMENTUM requires integrity to say "we must do better." It is an arduous pledge, because where there is no pain, there is not momentum. It requires the bursting force of energy and indomitable courage. It is the unrelenting quest for breaking the rigid bonds of institutional paralysis. It demands the full effort and commitment of all, galvanized to the highest of ideals. An organization with MOMENTUM has an impelling and infectious urge and surge. A rolling, whirling, booming enthusiasm. An undisciplined fervor for the fray and venture. Forward, always forward. Advancing. Achieving. Always at an accelerating pace.

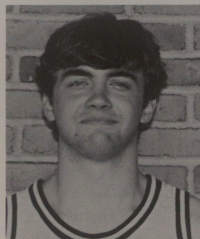

MOMENTUM doesn't just happen. It requires the electrifying force of a leader. Single-minded and unswerving in the pursuit of an objective, with an ardor and zeal which knows no bounds. It demands an intense, towering energy and a keen sense of destiny and, most of all, the raging vision and passion to be the best.

MOMENTUM is everything. . . because it drives, directs and determines the organization's destiny.

termination, and talent are key qualities of this class that will ensure another successful year for the Jr. High Lady Raiders.

The 1994-95 Jr. High Lady Raiders are anticipating another great season. They have some big shoes to fill after last year's 14-4 overall record, first place regular season finish, and South AAA tournament championship. However, this year's class intends to rise to the challenge and has already begun working toward the goal of back to back titles. Hard work,

1995 Baseball Outlook

The Diamond Raiders are coming off a successful campaign after finishing 18-7 in 1994. JA is looking to replace some familiar faces, such as 4 year starters Richard Lee and Brad Maxwell. Richard and Brad finished 1-2 in leading the team in Batting. The last 3 years Coach Renfrow is excited about the young talent coming up in '95 and is looking forward to the upcoming season. As always the JA Baseball players will work hard to represent Jackson Academy in the best possible way.

1995 Varsity Boys' Track

The 1994 track team enjoyed one of the greatest seasons in Jackson Academy history. They won four track meets in a row and finished second at the State AAA Track Meet. "We had a special group of young men who worked hard and improved every day," said Coach Joey Hawkins.

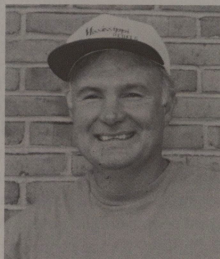

Even though the Raiders lost a quality group of seniors, JA will return a solid squad for next year. Phillip Chustz, the 800 Meter Champion, along with Stephen Greer and Jeffrey Rhoden will give JA a super distance team again next year. Taylor Ferrell, a qualifier in the long jump, triple jump and high hurdles at the State Championship meet will be back. The Raiders will return three sprinters from the 1994 team - Locke Phillips, Matt Allen and Jeffrey Lomeier. Next year's field events will see the return of Myles Atherton, Josh Blackburn and Hastings Puckett along with a promising group of sophomores.

Varsity J.A. Best Distance Runner Emily Phillips is back. Most Improved Hilary Armstrong will be back to run. Best Field Event Award winner Kasey Sample is returning. She finished second in the state. 1994 Girls' Cross Country

The 1994 Girls' Cross Country team should be very challenged. The 1993 girls finished strong in the State AAA Meet last Fall. The team has most all of its 1993 runners back. The team is looking for fast times and good leadership out of its seniors Amanda Bush and Allison Smith. The 1994 season will send us to Greenville, to Grenada, and to Clinton for most of our cross country meets. The challenge is there and waiting for other returning runners: Natalie Jones (1993 Most Valuable), Emily Bush, Fran Russell, Cerrisa Pitts, Laura Payne, Rebecca Gough, Jodie Lowe, Lisa Smithhart, Beth Singletary, Jessica Allison, Stacie Clark, Natalie Tinnin and Emily Phillips. The Girls Team finished strong with a 2nd place trophy in the South AAA Tournament. The #1 and #2 Boys Doubles Teams finished 1st in the South, 2nd in the State, and 1st Overall. The Mixed Doubles Team finished 1st in the South, 2nd in State, and 2nd Overall.

The '93-'94 season was a strong year with a total of 50 athletes participating, the Junior Varsity only lost one match and the Varsity finished with a winning season.

JA's tennis team is young with many players participating and winning in State, Regional, and even National Tournaments. With this continued commitment, Jackson Academy Tennis is headed toward yearly success.

Golf

Jackson Academy Golf has enjoyed much growth and success in the past few years. With the continuation of golf interest in the Junior High, commitment and dedication, JA Golf will stay on top.

The 1993-94 linksters were led by a talented, dedicated group of seniors. Each week during the season they strived to improve and this culminated in an out-

standing win for the Jackson Academy Golf Team, the South Overall Golf Title.

The 1995 team will be without medalist Carter Callaway, but Sophomore Matt Christian will be returning to lead the team. With a young, but talented group of golfers, JA should again be challenging for the championship.

Jackson Academy Raider Band

The Jackson Academy Band program, in its sixth year under the direction of Band Director Bruce Carter, consists of the Marching Band, the Pep Band, Jazz Band and Concert Band.

The J.A. Marching Band has captured the Bands of America Class A Regional Championship for the past two years, and last year was named the Class A National Champions at the Bands of America Grand National Championships in Indianapolis. In addition to winning these class championships, the band placed in the top ten open class finals both years at the regional competitions, and in the top twelve finals at the national competition. The band, composed of students in grades seven through twelve, plans to again compete in the Bands of America Southern Regional Competition in Atlanta in October.

The Marching Band and the Pep Band provide support for both the varsity and junior high football teams, as well as entertaining hometown fans with their marching show under the leadership of Drum Major Jeffrey Cadle, assisted by Assistant Drum Major Alison Duncan.

After marching season, the jazz band and concert band participate in school and community functions, as well as competing also. Last year, the Jazz Band was invited to play at intermission of the opening of the 50th season for the Mississippi Symphony Orchestra, the kick-off of the Metro Jackson United Way campaign and at the groundbreaking ceremonies here at Jackson Academy for our new learning center.

The Concert Band received All-Superior ratings at the MPSA Concert festival last spring and both the Jazz and Concert bands received superior ratings at the New Orleans River Fest.

Seven members of the Jackson Academy Band were selected to and competed with the 1994 Mississippi Lions All-State Band. They include Michelle Borzik, Jeffrey Cadle, Julie McGehee, Nick Mayfield, Andy Melton, and Lance Welch. Mr. Carter also served as Marching Director for the group which performed at the Lions International Convention in Phoenix, Arizona, in July.

***Imagine a place that,
just knowing it was
there made you feel
better.***

A place where decisions were guided only by what's best for people.

Idealistic? Perhaps. But more than a decade ago, a group of people built a hospital founded on such principles.

River Oaks.

Unlike so many hospitals, River Oaks is owned by those who best understand the art of healing.

And it may be the only

hospital around whose entire governing board has taken the Hippocratic Oath, an oath that binds them to always put people before profits.

That means when you come to River Oaks, you're treated by people who are free to do what's right for you. And who understand that the best way to treat you as a patient is to first treat you as a person.

Some may call our way of doing things idealistic.

We just call it River Oaks.

**RIVER OAKS
HOSPITAL**

Before we treat you as a patient, we treat you as a person.™
