#### MR. PETER JERNBERG **Jackson Academy Headmaster**

Dear Friends:

Jackson Academy was established in 1959 as an independent day school. It was created for and is dedicated to the education of boys and girls, preschool through senior high.

Through the diligent and unselfish efforts of many people, the school has grown to include a thirty-eight acre campus serving over 1450 students with a staff of 150

The first priority at Jackson Academy is the education of the student. Education at Jackson Academy is a process that stresses commitment and cooperation, that makes clear the interdependence of academic

It is paramount that we demonstrate positive support for all aspects of our extra-curricular program. This can best be done through offering encouragement to those students participating and by reflecting wholesome conduct at all JA activities.

The Jackson Academy Athletic Booster Club continues to be a vital part of our support program. We recognize them, not only for this support, but also for their interest in and encouragement of our student athletes.

Jackson Academy considers it a privilege to have you visit our campus for athletic events. We also invite you to attend and support other JA activities that involve our fine student

Sincerely,

Peter Jernberg Headmaster

**Delbert Hosemann** Booster Club President

It is my pleasure this year to assist the literally hundreds of volunteers who work tirelessly on behalf of Jackson Academy through the JA Athletic Booster Club. The Booster Club activities this year will range from sponsoring a national AAU basket-ball tournament this summer to Fantastic Friday and its baseball game, golf tournament, and tennis tournament. In the interim, numerous parents and friends of Jackson Academy will work concession stands, invite over 1,000 friends to Meet The Raiders, organize "fifth quarter" parties, host team banquets, create this Sports Information Guide, and numerous other activities. Their efforts will generate over \$60,000 to be utilized by almost every extra curricular activity offered by the School

Our major goal this year is the development of the East Campus to provide practice fields for Football, Band, Accents and Cheerleaders, a softball field, concession stand and restroom facilities, soccer fields, enlarged parking, and a track complex. This ambitious effort will supplement the academic growth of our approximately 1,400 students with physical experiences which will last a lifetime.

We appreciate each of your support during this year. Our coaching staff and students are poised to have the most successful athletic year in Jackson Academy history. Please give them your support and, if you have not already, join us in becoming members of the Jackson Academy Athletic Booster Club for this and future years.

## 1995

R A I D E R

FOOTBALL

Coach Sherard Shaw Varsity Head Football Coach

#### **Jackson Academy Varsity Football**

The key word for the 1995 football season would have to be "excellent". Eight starters from 1994 return on offense and on defense. All District III-AAA Doug Strong (DE), Matt Reinhardt (DT), Matt Allen (DB), and Locke Phillips (DB) Head and Outstanding Defense. Also expected to contribute are newcomer Wes Slay, John Shackelford, Joey DuMontier, Jeffrey Lohmeier, and Phillip Chustz. Offensively Chad Hosemann (C) anchors a strong group of returning veterans including Clint Sturdivant (G), Glenn Breazeale (TE), Jeffrey Rhoden (QB), and Phillip Chustz (SE).

The schedule again is tough with 1994 North AAA Champion Clarksdale Lee coming to town to start the season, and the season ending with 1993, 1994 State AAA Champion Parklane visiting Raider field. In between are the traditional power horses of Simpson, MRA, Hillcrest, and Jackson Prep.

The 1995 season offers some great opportunity for this years football team. It will take a combination of hard work, great attitude and a little luck, but hopefully this is the "Year of the Raider".

1995 — It's Time" Sherard Shaw

#### A Dedication To Coach Shaw From The Class of '96

In my opinion Coach Shaw gives true life to the words he preaches. He has my utmost respect for his courage, pride, and determination. Most of all, I hope we (our team) can exhibit his never-give-up attitude this year on our guest for a champion-shin.

Philip Chustz

Shaw has always been there for me and for the team. He has shown us leadership, and shown us how to plau as a team.

Matt Reinhardt

Coach Shaw has always shown me courage. Whenever I get down, I look to Coach Shaw to lift me up.

Bo Brister

Coach Shaw has been an incredible influence in my life. He has taught me life long lessons in discipline, courage, and being a winner on and off the field.

Glenn Breazeale

Coach Shaw is a great leader and fighter. To me he is a

Kevin Shoemaker

There are many things to be said about this man, but the one thing that sticks out in my mind is how he has made me love the game of football even more. He has put a new level of fire and passion into my heart and has made me a better player and person.

leffrey Lohmeier

Coach Shaw has not only taught me great football skills such as hard work and self-discipline, but he has also taught me skills like commitment, and sacrifice which I will use throughout my life.

Coach Shaw is an inspiration both on and off the field. He is a winner in a life that has given him difficult tests to overcome. He has taught me the essentials of life — discipline, sacrifice, courage and the importance of hard work. The good points of life that I hope to pass on to others.

Joey DuMontier

Coach Shaw is a motivator, a coach, and a friend.

Douglas Strong

Coach Shaw is not only the greatest coach in the State of Mississippi, but he is like a father to all of us and  $\mathcal I$  love him.

Jeffrey Rhoden

He means a lot to me and has been there for me as well as anyone. He has been an inspiration to me and has shown me what I should do in my life. Basically, he is just a great guy and treats us like we are his own.

Locke Phillips

I appreciate having Coach Shaw because he is someone you can respect and trust as a Coach, and you know he wants the best for the team. I know Coach Shaw will always pull through for us no matter how tough the situation gets.

Jamie Campbell

Coach Shaw has been a coach, a father, and most importantly a best friend to me since I have known him. He is the example of a true champion. I love Coach Shaw, and I will always remember him.

Matt Allen

To teach the importance of commitment, dedication, and opitimism through words is important to me, but to be a living example of the meaning of these traits is even greater. I thank Coach Shaw for being the example he has been to me.

Steve King

Coach Shaw has taught me to never give up and always look ahead to the positive.

Wes Slav

The one thing I believe Coach Shaw has done for me has been the thought of striving for my best. He has helped me believe in myself and not to accept second place, but to be the best that I can be. I always liked that he pushed us to our limit and over sometimes also helping us achieve our goals.

Dave McAllister

I have never met a man with so much desire to win. Coach Shaw has forced me to give it everything I've got.

#### **Junior High Football**

Our junior high players are looking forward to an outstanding football season. As defending Champions of the South AAA Conference they know the challenges that confront them as well as the rewards that come from meeting those challenges.

Combined the 8 and 9 grade players form a talented group. They are very hard workers who possess a great attitude and enthusiasm. The 9th grade, after playing for a year in the shadow of the class of 98, are now ready to assume the leadership role. The 8th graders, after a successful 5-2 campaign, are ready to be a part of the championship challenge. With hard work, commitment and determination they have an opportunity to reach their goal of back-to-back championships.

#### 7th Grade

As a coaching staff we are looking forward to working with this group of players. Moving from our 5th-6th grade program this group has great potential for the '95 season. Their attitude and enthusiasm during the off-season weight program should pay dividends throughout the year. With over 35 players we expect this group to continue what has become a great tradition — RAIDER FOOTBALL.

### A COACH'S PRAYER

**Build me** an athlete, O Lord, who will be strong enough to know when he is weak and brave enough to face himself when he is afraid, one who will be proud and unbending in honest defeat and humble and gentle in victory.

**Build me** an athlete whose wishbone will not be where his backbone should be, an athlete who will know Thee and that to know himself is the foundation stone of knowledge. Lead him, I pray, not in the path of ease and comfort, but under the stress and spur of difficulties and challenge. Here let him learn to stand up in the storm; here let him learn compassion for those who fall.

Build me an athlete whose heart will be clear, whose goal will be high; an athlete who will master himself before he seeks to master other men; one who will learn to laugh, yet never forget how to weep; one who will reach into the future yet never forget the past. And after all these things are his, add, I pray, enough of a sense of humor, never to take himself too seriously. Give him humility, so that he may always remember the simplicity of true greatness, the open mind of true wisdom, the meekness of true strength. Then, I, his coach, will dare to whisper, "I have not lived in vain."

# Jackson Lady Raider Basketball — 1995-96

If you walk into the Raider Dome and take a look around you see tradition. The banners hanging in the Raider Dome symbolize a tradition of excellence. The banners tell the story of success. What they don't tell is the reason for the success. This lies behind a group of young ladies who have worked for a common purpose and worked together as a team. They demonstrated that commitment and discipline leads to great self satisfaction.

The 1995-96 Lady Raiders will be working to achieve this prior level of success. With a solid group of returning players and the addition of some very talented young players this team will seek the challenge of becoming part and continuing the Lady Raider Tradition.

### Jr. High Boys Basketball

The 1994-95 Junior High Raiders had a very successful year. The Jr. Raiders finished with a record of 18 wins and 4 losses. The Jr. Raiders started the season by winning the MRA Invitational and finished with a last second loss in the South AAA. It was a well balanced, hard working team with all members contributing. The 1994-95 award winners were, Best Offensive Players Mitch Peters and Jason Hirn, Best Defensive Player Jim Morrison, Most Improved Daniel Scarbrough, and The Raider Award Jeff Gamblin. Last year's two eighth grade teams were very successful and should combine for a very exciting Jr. High Team.

# 7th Grade Boys Basketball

Forty 7th Grade boys played intramural basketball for Jackson Academy. Individual instruction and team skills were emphasized during class hours. An 8-game schedule and tournament was played during the winter. We feel this facilitates the development of our basketball program. The coaches were Stan Jones and Dan Boyce.

# 7th Grade Girls Basketball

7th Grade basketball is an exciting time in the journey of a young lady as she moves toward becoming a varsity player for the Lady Raiders. Many of these girls have been involved in fifth and sixth grade intramurals. However, now they will begin to focus more on the specific skills of the game and begin to develop their basketball talents as they work with the coaching staff in their basketball class. Playing each other within the framework of a scheduled season, they get lots of game experience that is accompanied by instruction and encouragement. Jackson Academy is looking forward to seeing these young players progress as they journey toward their varsity career.

Front row, from left: Amy Bradshaw, Jenny Berryhill, Crystalin Heath, Laura Him, back row: Sarah Clark, Claire Walton, Veronica Casey, Meredith Abernathy, and Kelly Lampton.

# 1996 Baseball Outlook

The Diamond Raiders are coming off a successful 16 - 9 campaign and are looking forward to the '96 Season. JA is looking to replace 6 seniors off of the '95 squad. Leading offensive producers Dave Mosal is gone, along with C - Dewitt Robinson, 2B - Earl Stubblefield, LF P - David Sunesson, P - Taylor Goodman and P - RB Lance Eichelberger.

Several Raiders gained valuable experience in '95 and Coach Renfrow gained a lot of confidence in them with the way they ended the season. Winning 9 of their final 12 games including a big win over undefeated 24-0 Prairie View, GA. The outlook is bright for the upcoming Baseball season. As always the JA Baseball team will work hard to represent Jackson Academy in the best possible way.

With sixteen returning lettermen from the 1995 Jackson Academy track team, the outlook for the 1996 team is excellent. The 1995 team finished 3rd in the state and 1st in the Copiah Invitational.

Returning lettermen from 1995 include Phillip Chustz (1st in the state 800 Meter Run, also on the runs 3200 & 1600 Relays and was named team MVP), Taylor Ferrell (long jump, triple jump, 110 high hurdles and winner of Best in the Field Award), Jeffery Lohmeier (100, 200 meter dashes, 800, 400 relays and was the winner of the Best Sprinter Award), Will Glover (1600 & 3200 meter run, 3200 meter relay and was the winner of the Best Distance Runner Award), Brad Reeves (300 hurdles & 110 high hurdles and winner of the Most Improved Award), other returning lettermen include Adam Jones, Matt Allen, Paul Smith, Phil Ethridge, William Payne, Jeffery Rhoden, Matt Reinhardt, John Shackleford, Jay Glenn, Michael Healihy and David Robbins.

With the loss of Stephen Greer, our only senior, who will be greatly missed, the Jackson Academy Track Team should have a great year in 1996.

#### 1995 Varsity Girls Track

The 1995 varsity girls track season was fast and furious. The girls won championships at the Copiah Invitational and at the Canton Invitational. The Canton Invitational was won on the last event which was the mile relay. Emily Phillips, Dale Decker, Jennifer Decker, and Natalie Tinnin brought the baton in first place. The team was relatively young with only three seniors; Lori Sowell in the hurdles and Allison Smith and Amanda Bush (both under 6 minute milers) in the distance. The most improved runner was Laura Payne and the most dedicated runner was Emily Phillips. The girls worked hard and several placed in the state meet. The girls are coached by Ray Higgins.

The 1996 girls should be very competitive, especially with the addition of several Jr. High girls moving up.

The 1994 season was a success for the Jackson Academy boys cross country team which finished third in the state meet. Returning in 1995 will be the team's most valuable runner for 1994, Will Glover, who was selected to the AAA All State Team. The team will lose only one runner to graduation and so will be in good position to contend for the state title in 1995.

In tournament play, the Raider boys won the South AAA title and were Co-Champs for the State AAA and Overall State titles. The girls team made history this year finishing up Co-Champs for the Overall State title. Jackson Academy finished with 4 individual overall championships — more than any other school.

Next year promises to be exciting as we only lost 3 girls to graduation. All the boys return to guarantee us an exciting season. The tennis team is coached by Head Coach Barbara West and Assistant Colleen Joransen.

#### Golf

Jackson Academy Golf has enjoyed much success and growth in the past few years. With the continuation of golf interest, commitment, and dedication, JA Golf will stay on top.

The 1994-95 golfers worked to improve their game. The golf team won the Canton Invitational with Matt Christian and Mark Markow shooting even par 72, taking first and second medalist. Members of the A-team were Senior, Reid Smith-Vaniz; Juniors, Kelly Thompson and Will Allen; Sophomores, Mark Markow and Matt Christian; Freshmen, Brooks West and John LaFoe. B-team members were John Clay Ashford, David Zimmerman and Matthew Avery.

This year was also the first year JA organized a Girls' golf team. Members of the team were Staci Henson, Mary Ellen Maples, Brynnen Baker and Anna Walker.

Following many rounds of golf last summer, this team should possess two key ingredients: young talent and senior leadership.

#### Lady Raider Golf

Beginning their golf team this year at JA are Anna Walker, Mary Ellen Maples, Brynnen Baker and Staci Henson. This foursome helped with the JA, Prep, South and State tournaments this year and have hopes of tournament play next year.

The long-time strength of the elementary swim team at JA is quickly aging and producing a junior high and high school team of equal caliber. This past year the school's swim team won both the elementary and the high school divisions of the MPSA meet. This marked the 17th overall win in a row! Expectations are for a repeat and even stronger performance this fall. Maybe if the team wins 20 championships in a row, the school will consider replacing the Raider's horse with a FISH!

#### **Strength Program**

Jackson Academy has two outstanding facilities to meet the goals of strength training. We have an airconditioned machine room equiped with nautiles machines. Our 2,000 sq. ft. iron room has free weights, dumbell weights, and machine weights.

Our fundamental goal is to enter the best physically conditioned athlete into competition. They must have strength, muscular endurance, and cardiovascular endurance in order to accomplish this goal. Not only does a good weight program help win championship, but also prevents injuries.

The weight rooms at Jackson Academy are used by all sports both male and female. Athletes are not permitted to lift without the supervision of a coach. The coaches develop weight programs that are adapted to their sport.

**Nathan Siegal** 

Nathan Siegal represented JA in the National High School Powerlifting Championship held in Des Moine, Iowa, on April 21, 1995. At Nationals, JA was crowned new National High School Champions. Nathan lifted a total of 1,100 pounds in bench, squat, and dead lift.

#### **Varsity Cheerleaders**

The 1995-96 Varsity Cheerleaders have already started the year very strong. They attended camp at the University of Alabama with over 850 girls and guys participating.

While at camp the girls brought home superior ribbons each night, and at the overall championship on Friday they received 2nd place for sideline cheer.

Other honors given were to Susie Glover, Rachel Rowland, Jennifer Decker and Angie Stubblefield. All of these girls qualified to perform in Macy's Thanksgiving Day Parade this November. Also, all four of these girls received applications to be instructors for Universal Cheerleader Association. Only 18 applications were given and we received 4 of those 18 spots.

Rachel Rowland and Susie Glover received the honor of all-star cheerleaders and will be going to London England in December.

We are very proud of our new squad and they have already shown their willingness to work together as a team to represent Jackson Academy.

#### The Jackson Academy Band

MARCHING BAND. The 1994 Jackson Academy Marching Band once again received recognition throughout the South for its innovative and entertaining field show. The band for the third consecutive year was named the Class A Champion at the Bands of America Southern Regional Championship at the Georgia Dome in Atlanta. Before an estimated crowd of 15,000, the band received awards for Outstanding Musical Effect and Outstanding General Effect, in addition to once again placing as a finalist regardless of classification. According to Scott McCormick, President of Bands of America, Inc., "this is truly unique to have a band dominate an area of the country in its classification for so many years. The Jackson Academy Band has helped to re-define the art of marching bands throughout the nation." According to McCormick, video tapes of the JA Band's performances at regional and national competitions, marketed by Video Express, Inc., of Chicago, Illinois, have consistently been among the top sellers over the past two years among high school band performances recorded and sold nationwide.

CONCERT BAND. The Jackson Academy Concert Band once again received recognition for its outstanding festival performances. The band for the sixth consecutive year received superior ratings from all judges in each festival it participated in. Over the past six years, the Concert Band has competed in Dallas, San Antonio, Chicago, New Orleans, and Nashville to only rave reviews. Randy Dickerson of the University of Illinois called the JA Concert Band at the 1995 MPSA State Concert Festival "a stellar performing group. One of the finest I have had the pleasure to hear. Exciting!" David Willson, Director of Bands at the University of Mississippi, and also one of the adjudicators at the 1994 MPSA State Concert Festival stated "the JA Band's work ethic, professional demeanor, and level of performance, set an excellent example for the rest of the state to look to."

JAZZ BAND. The JA Jazz Band remains one of the most popular and requested parts of the Band program. The Band has performed at civic and social functions throughout the state for the past six years and this year was featured in performances at the largest musical event in the State of Mississispi, the Jubilee! Jam. In addition, the JA Jazz Band performed in the Ole Miss Invitational Jazz Festival in April, continuing its long list of festival appearances throughout the U.S. Rob Parton, clinician, adjudicator and leader of the Rob Parton Jazz Tech Big Band of Chicago, Illinois, called the JA Jazz Band "one of the leading exponents of contemporary Big Band literature at the high school level. The JA Jazz Band has always maintained a reputation for exciting performances and great players."

LIONS ALL-STATE BAND. Once again, a select group of JA Band students were chosen as members of the Mississippi Lions All-State Band and invited to travel with the band in the summer of 1995 to Seoul, Korea. Those students were Jeffrey Cadle, Tuba, Julie McGehee, Clarinet, Lance Welch, Tuba, Glenn Morris, Bass Clarinet, and Hanna Dabit, Baritone.

Members of the JA Band are: Front row, left to right: Asher Street, Glenn Morris, Lance Welch, Shannon Keeling, Bonney Dunn, Heather Perry; Second row: Cole Kimbrough, Nicole Black, Andrea Mayronne, Jessica McGehee, Veronica Casey, Robin Ethridge, Lauren Hastings, Laura Sigrest; Third row: Trip Ethridge, Hanna Dabit, Don Ross, Chris Lutken; Fourth row: Carlos Cook, Andrew Snyder, Patrick Norman, William Waller, Brad Bryan, Wesley Charles, Bill Phillips, Craig Dunn, George Koerber; Standing: Ben Duncan and Michael Boswell.
