**MR. PETER JERNBERG**  
Jackson Academy Headmaster

Dear Friends:

Jackson Academy was established in 1959 as an independent day school. It was created for and is dedicated to the education of boys and girls, preschool through senior high.

Through the diligent and unselfish efforts of many people, the school has grown to include a thirty-eight acre campus serving over 1450 students with a staff of 150.

The first priority at Jackson Academy is the education of the student. Education at Jackson Academy is a process that stresses commitment and cooperation, that makes clear the interdependence of academic and extra-curricular pursuits and places high value on integrity, achievement and growth.

It is paramount that we demonstrate positive support for all aspects of our extra-curricular programs. This can best be done through offering encouragement to those students participating and by reflecting wholesome conduct at all JA activities.

The Jackson Academy Athletic Booster Club continues to be a vital part of our support program. We recognize them, not only for this support, but also for their interest in and encouragement of our student athletes.

Jackson Academy considers it a privilege to have you visit our campus for athletic events. We also invite you to attend and support other JA activities that involve our fine student body.

Sincerely,

Peter Jernberg  
Headmaster

Not Pictured: Patty Clark, Dr. Greg & Robin Fiser, Dr. David Mosal, Ann Peters, Bill & Blue Reeves.

The Jackson Academy Athletic Booster Club is composed of family, friends, and supporters of "JA" children in their efforts to succeed both on the field and off. We serve both as a financial and moral support organization for our coaching staff and administration. Primarily through their efforts and our example our children learn teamwork, personal excellence, discipline, dedication, focus, organization, and leadership. These are the tools needed in the real world.

The East Campus project is very close to completion. If you have not visited this facility, you have missed a treat! Still needed is the final surface for the track and the concession stand with restroom facility. Work continues on the baseball, soccer and softball fields. This "Park" will only get more and more beautiful with use by our students. Lowering the debt on this area and seeing its completion will be priority for the up coming year. This year we hope to expand the Family Jamboree into a truly enjoyable day in the country as well as a fund raiser.

The Jackson Academy Athletic Booster Club coordinates and funds "Meet the Raiders Night" both for football and basketball, athletic banquets, pre-season father-son football party, as well as concessions for football and basketball. The spring golf tournament is also a major function of the group. All of these activities do not just happen. Hundreds of volunteer hours donated by members, parents, and patrons go into making all of this happen. Although the Sports Information Guide is the biggest money-maker for the year, fund-raisers come in many different shapes and forms throughout the year.

As your 1997-1998 Jackson Academy Athletic Booster Club President, I would like to thank all of those who have spent so many hours making JA athletics the standard it is! I would also encourage each and every one of you to get involved in making the memories today that your children will cherish tomorrow.

Gene R. Barrett, M.D., President

*Imagine a place that,  
just knowing it was there  
made you feel better.*

A place where decisions were guided only by what's best for people.

Idealistic? Perhaps.

But more than a decade ago, a group of people built a hospital founded on such principles.

River Oaks.

Unlike so many hospitals, River Oaks is owned by those who best understand the art of healing.

And it may be the only hospital around whose entire governing board has taken the Hippocratic Oath, an oath that binds them to always put people before profits.

That means when you come to River Oaks, you're treated by people who are free to do what's right for you. And who understand that the best way to treat you as a patient is to first treat you as a person.

Some may call our way of doing things idealistic.

We just call it River Oaks.

## *1997-98 Varsity Football*

**David Blount**  
Varsity Head Football Coach

The Raider Football Team made history in 1995 by winning our first AAA State Championship. With a great group of young men and a lot of hard work, we made history again in 1996 by winning the first AAAAA State Championship.

Hopefully, we have started a tradition at Jackson Academy that will result in a hard-working, dedicated group of young men who believe in team play and enjoyment of the game of football. We lost some great seniors from the 1996 team, but we have a great group of underclassmen coming back. Since we are the two-time defending champions, the 1997 season will offer a new and even greater challenge for the Raiders.

Again with hard work, great attitudes, and a little luck, hopefully, we can reload in 1997 and carry on the winning tradition at Jackson Academy.

## 8th & 9th Grade Football

Our junior high players are looking forward to the 1997 season. By winning three straight South AAAA conference championships, the junior high program has enjoyed great success. This year's eight and ninth grade players have worked hard to become the best they can be!

The '97 football team has many challenges ahead of it, and we are excited about going out each week and trying to meet those challenges.

## A COACH'S PRAYER

**Build me** an athlete, O Lord, who will be strong enough to know when he is weak and brave enough to face himself when he is afraid, one who will be proud and unbending in honest defeat and humble and gentle in victory.

**Build me** an athlete whose wishbones will not be where his backbone should be, an athlete who will know Thee and that to know himself is the foundation stone of knowledge. Lead him, I pray, not in the path of ease and comfort, but under the stress and spur of difficulties and challenge. Here let him learn to stand up in the storm; here let him learn compassion for those who fall.

**Build me** an athlete whose heart will be clear, whose goal will be high; an athlete who will master himself before he seeks to master other men; one who will learn to laugh, yet never forget how to weep; one who will reach into the future yet never forget the past. And after all these things are his, add, I pray, enough of a sense of humor, never to take himself too seriously. Give him humility, so that he may always remember the simplicity of true greatness, the open mind of true wisdom, the meekness of true strength. Then, I his coach, will dare to whisper, "I have not lived in vain".

## **Jackson Academy Raider Basketball 1997-98**

*“A New Tradition Continues”*

The 1996-97 season proved to be an exciting year for the “rebuilding” Raiders. Full-court pressure defense was the trademark of the team, touted by most as the best in the state. Strong leadership enabled the Raiders to achieve many team goals, including an undefeated record in the Raider Dome and the first ever AAAA State Championship. Hard work throughout the summer and fall set the tone for an outstanding 33-2 record - the best in the MPSA.

The 1997-98 squad returns to the court with the same expectations. Although the Raiders return only one starter from the '96-97 team, this year's group boasts ten players with valuable court experience. Pressure man-to-man defense and motion offense, combined with playing time for everyone, promises another exciting year for JA Basketball.

Over 30 years ago, the folks at Chick-fil-A® invented the original reason to eat more chicken. Namely, the world's first chicken sandwich. Since then, they've been responsible for one great tasting chicken creation after another. And because chicken's the healthier choice, one thing's for sure: You'll have no beef with us.

## Varsity Girls Basketball

The Jackson Academy Lady Raiders Basketball Team opened the 1996-97 season amid a sea of uncertainty. The youthful, inexperienced Lady Raiders, however, responded against one of the state's toughest schedules by compiling a 26-8 record and winning the South AAAA Championship. They also earned a berth to the Overall State Championship by finishing second in the State AAAA Tournament.

No one can argue the consistency of competitiveness, excitement, and success the Lady Raiders have put together over the years. Different abilities and personalities must mesh to bring about the chemistry that will be needed for this year's team. This will once again fall upon the shoulders of our returning players to provide the leadership for continuing success. By meeting this challenge they will continue to build upon two aspects for which the Lady Raiders have become known - Tradition and Pride!

# 1997-98 Varsity Boys Track Team

**JA Varsity Boys Track Team:** Front row, from left: Jeff Gamblin, Bradley Kellum, Troy Kestenbaum, Brad Skipper, Daniel Scarbrough; middle row: Adam Quick, Russell Ingram, Mark Hosemann, Brad Reeves, Barton Lampton, Neil Raggio; back row: Jess New, Bryant Walker, Jason Hirn, Chesley James, Lee Owen, Coy Neal.

**Joey Hawkins**  
Varsity Boys Track Coach

The 1997 track season was the most successful in JA history. The '97 team won six track meets and captured State AAAA runners-up honors! JA came away with four State Champions: Bryant Walker in the 800 run, Chesley James in the 1600 run, Brad Reeves in the 110 high-hurdles, and the 3200 meter relay team of Lee Owen, Will Glover, Bryant Walker and Chesley James. I am so proud of our young men as they have taken our track program to a new level.

The junior varsity won the South AAAA title for the second straight year. With 22 performers back on the varsity, 1998 should be a season to remember.

## Varsity Soccer

The 1998 girls soccer team will enter its second season with optimism. The Lady Raiders gained valuable experience last season and are looking forward to a competitive second season. ### Jackson Academy Tennis

This season was the most exciting season we've had so far. Our girls and boys finished 10-0 in Dual Match play. This is the third year we have gone undefeated. Our girls team won the South AAAA Tournament and were Co-Champs for the State AAAA Tourney. Our boys won the South AAAA, State AAAA, and Overall State Tournaments handily.

One exciting weekend was our boys' second place finish in the Chattanooga Rotary Invitational Tournament. The girls and the boys were invited to play Newman School of New Orleans where we won 10-2.

Jackson Academy had individual victories by Katy Vaughan and Ashley Jew. They finished as champs at #1 Girls Doubles in all three tournaments. Jim Jacobs also finished as the winner of the South, State, and Overall Tourneys at #2 Boys Singles. Peyton Hays and John Ballard finished first at #2 Boys Doubles at the South and Overall. Mary Rebecca Barry finished first at #1 Girls Singles at the State AAAA Tournament. Katie Stacy and Stacy Wong were the South AAAA #2 Girls Doubles Champs. Ann Ostenson and Michael Hailey won the Mixed Doubles in the South AAAA Tournament.

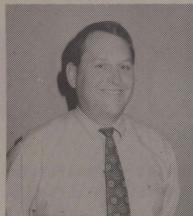

Overall, the team and individual wins were exciting. With only three senior starters, we believe we will have a very successful year in 1998!

### Jackson Academy Golf

The 1997 Jackson Academy Golf Team highlights include a win in Natchez and an impressive team score of 308 in the South State AAAA Tournament to qualify for the State AAAA Tournament. Three JA linksters, Matt Christian, Brooks West, and John LaFoe, met the challenge and were medalists in these tournaments. Thirteen different golfers qualified for A-Team tournaments this year. A-team golfers were: seniors Matt Christian, Mark Markow, and Patrick Davis; juniors Brooks West, John LaFoe and Logan Phillips; sophomores Matthew Avery, Bobby Croswell, and Cal Laney; freshmen Will Watkins and Josh Evans; eighth graders Greg LaFoe and David McKinnon. Playing B-team were: David Zimmerman, Ro Taylor, Michael Walton, Brandon Black and Reed Stacey. Lady Raiders in 1997 were: Staci Henson, Olivia Marble and Katie Taylor.

Achieving a position on our A-team in 1998 will be very challenging. JA should be very competitive and in a solid position for the championship matches.

The 1997-98 Varsity Cheerleaders attended UCA summer camp at the University of Alabama. The squad received numerous superior ribbons, a spirit stick each day of camp, fourth place in the "Home Pom" Dance Competition, and a Superior Trophy for their overall performance at camp.

All three seniors, Courtney Cain, Jennifer Maxwell and Kendall Phillips, were offered a chance to travel to the "Big Apple" and perform in the Macy's Thanksgiving Day Parade. Also, Jennifer Maxwell was selected as an All-Star and invited to London to perform over the New Year's Holiday.

The whole squad received an invitation to perform at halftime at the Rose Bowl. These girls have already represented Jackson Academy extremely well.

The 1997-98 Accents look forward to another year of outstanding performances. With long hours of practice and teamwork, we hope to reach that goal.

A glimpse of the year to come was seen this June at Northwestern Louisiana University. Competing against dance teams from Arkansas, Louisiana and Mississippi at the Universal Dance Association Camp, Jackson Academy won a spirit stick every night and over a hundred blue ribbons. The Accents also brought home the following awards: Superior Ribbon for Home Routine; Spirit Stick, Second Place Home Routine; and for the sixth year in a row, the Leadership Most Admired Team Award. Jennifer Beard was given an application to model for Varsity Catalog. The Accents also had four girls chosen as All-Stars. They were: Natalie Jones, Jodie Low, Joanna Stewart and Caroline Coleman. They were invited to Paris, France. The whole team has been invited to the Cotton Bowl and the Hollywood Christmas Parade. The officers were asked to Macy's Thanksgiving Day Parade.

This year's managers are: Summer Mosal, Kristen Arentson, Shea Busching, Mary Katherine Guyton, Amy Ingram and Patrick Welsh. Our outstanding officers are: Lieutenants Katie Rutherford and Beth Singletary, Co-Captain Monica Ruvinsky and Captain Caroline Coleman. For the tenth year, they are under the direction of Lindy Clement.

Various portions of the JA Band have represented the school at festivals and competitions in Chicago, Atlanta, Dallas, New Orleans, San Antonio, Nashville, Indianapolis, and across the state of Mississippi to consistent superior recognition and acclaim. The JA Marching Band had three times been named the Bands of America Class A Southern Regional Champion, and in 1993 had the unique honor of being named the National Class A champion.

**Bruce Carter**  
Director of Bands

This year's marching program features music commissioned by the JA Band, entitled "Way Down South". This piece was written by Emmy Award-winning (and Jackson resident) Julie Giroux, and is based entirely on the theme of "Dixie". The JA Band will travel to Saint Louis to perform in the Bands of America Regional Competition at the Twin Dome and to Atlanta to perform in the Georgia Dome for the Band of America Southern Regional.

We hope you will enjoy the 1997 marching program of the Jackson Academy Marching Band. The band is directed by Bruce Carter.
