## JACKSON ACADEMY HEADMASTER

**Mr. Peter Jernberg**

Dear Friends:

Jackson Academy was established in 1959 as an independent day school. It was created for and is dedicated to the education of boys and girls, preschool through senior high.

Through the diligent and unselfish efforts of many people, the school has grown to include a thirty-eight acre campus serving approximately 1550 students with a faculty and staff of 170.

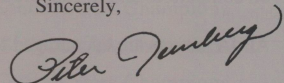

The first priority at Jackson Academy is the education of the student. Education at Jackson Academy is a process that stresses commitment and cooperation, that makes clear the interdependence of academic and extra-curricular pursuits and places high value on integrity, achievement, and growth.

It is paramount that we demonstrate positive support for all aspects of our extra-curricular program. This can best be done through offering encouragement to those students participating and by reflecting wholesome conduct at all JA activities.

The Jackson Academy Athletic Booster Club continues to be a vital part of our support program. We recognize them, not only for this support, but also for their interest in and encouragement of our student athletes.

Jackson Academy considers it a privilege to have you visit our campus for athletic events. We also invite you to attend and support other JA activities that involve our fine student body.

Sincerely,

Peter Jernberg  
Headmaster

### THEY HIT THE MARK!

*The JA Booster Club recently hosted the first "Pull" for the Raiders, a sporting clay fun shoot for marksmen. The benefits went to the Booster Club and the event was sponsored by Ergon, Inc., Pepsi Cola of Jackson, and BancorpSouth. The clay shoot promoted family fun and safety. Students under 18 years of age attended the Mississippi Hunter Safety Class offered by JA.*

Go Raiders:

The 2001-2002 edition of Jackson Academy athletics shapes up to be one of outstanding possibilities. The powerful enthusiasm and excitement being generated by our athletes and their coaches is highly contagious.

As one of the highest profiled schools in our association, let us accept the challenges and responsibilities that accompany that position. Please demonstrate at all times the characteristics of true champions. One of the most important of these characteristics is that of sportsmanship. As Raiders, we pledge to compete at the highest level, but never at the expense of losing sight of our behavioral responsibilities.

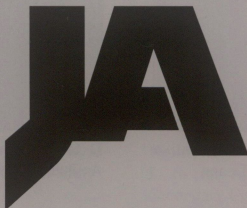

On behalf of all of the support groups and athletic teams representing Jackson Academy, thank you so much for your continued support of our efforts. We hope to see you at many of our athletic contests.

Respectfully,

A stylized, handwritten signature of Bobby West in dark ink.

Football Coach

The coaching staff at Jackson Academy is looking forward to this football season. We have been so impressed with our student-athletes work ethic over the summer. I honestly feel we have one of the best coaching staffs in the state and a super bunch of young men! We want to encourage everyone in the JA family to get behind these special young men as we make the 2001 season one to remember.

## Varsity Strength and Conditioning

The strength and conditioning program at JA for varsity athletes is a year-round program. During the spring of this year, the program's overall focus was improving the athletes' strength with emphasis on flexibility and power. In varsity football, each player not involved in spring sports is given a nine-week cycle of weight room training and running drills from December until May. The athletes are measured in the bench, squat, and clean for football and incline bench and leg press for basketball. Coach Sojourner and Coach Ball have done a great job working with basketball players during the off-season weight programs. JA has challenged each athlete to get the most out of his or her chosen sports. Strength is a major key to the success of any sports program. Individual consistency and determination along with a strength program will result in any team's successful season. The strength and conditioning of your athlete is a major priority of the JA coaching staff. Thank you for your support of all our programs and please visit our facility any time.

## *A Coach's Prayer*

**Build me** an athlete, O Lord, who will be strong enough to know when he is weak and brave enough to face himself when he is afraid, one who will be proud and unbending in honest defeat and humble and gentle in victory.

**Build me** an athlete whose wishbones will not be where his backbone should be, an athlete who will know Thee and that to know himself is the foundation stone of knowledge. Lead him, I pray, not in the path of ease and comfort, but under the stress and spur of difficulties and challenge. Here let him learn to stand up in the storm; here let him learn compassion for those who fall.

**Build me** an athlete whose heart will be clear, whose goal will be high; and athlete who will master himself before he seeks to master other men; one who will learn to laugh, yet never forget how to weep; one who will reach into the future yet never forget the past. And after all things are his, add, I pray, enough of a sense of humor, never to take himself too seriously. Give him humility so that he may always remember the simplicity of true greatness, the open mind of true wisdom, the meekness of true strength. Then, I his coach, will dare to whisper, "I have not lived in vain."

Play Hard, Play Smart, Play Together. Anyone close to the JA Raider Basketball program, and especially our players, will tell you that those words aren't just printed on our practice jerseys; they are taken to heart. As our Raider basketball team prepares for the upcoming season with much anticipation and excitement, we are committed to continuing the winning ways of the JA basketball program. On the heels of a magical 2000-01 season with a 35-5 record and a South State AAAA Championship, this group of guys has devoted countless hours in the preseason developing their individual talents for the betterment of our team. We have a solid group of seniors who will look to lead our team toward a championship. This team also has a lot of young faces that will be counted on heavily to contribute and have a positive impact on our team. We will play a very competitive schedule, but our players are excited about the challenges that lie ahead. We look forward to having the opportunity to represent our school and families in a positive way. Thank you for your continued support of our program and players as we prepare to compete for many more championships in the difficult South AAAA.

Congratulations to the 2000-2001 Lady Raiders on an outstanding season. There were many wonderful moments, but the overall State tournament proved to be one that many Lady Raiders fans will never forget. The Lady Raiders played 4 tough opponents, defeating each one, and winning the overall State tournament.

The 2001-2002 Lady Raiders face a great challenge. They once again play a tough non-conference schedule and play in the South 4A Conference. In order to reach our goal this season, we will need to draw from what we experienced last season, blend as a team, and believe in each other. It will be important to get our team together as a unit and find the chemistry that makes a team successful. It will also be just as important to have great leaders. This role of a leader is a very giving position and how willing the players are to step forward and contribute in this role will dictate how successful this team will be.

If we do a great job of meshing all our abilities and personalities, we have the potential to experience some things that no Lady Raider team has experienced. When the season kicks off in November, we want to have the feeling that nobody has prepared harder than we have.

As a team we have adopted a saying, "We are not going to become comfortable with our mistakes." Thus, we are working hard to learn to not only give great effort, but also to execute as well. These girls have dedicated themselves to becoming the best team they can possibly be and are working hard to be such. The Raiders enjoyed another fantastic season in track and field by capturing their 4th straight State AAAA title. I am so proud of each young man on this team and the commitment and determination shown on a daily basis. We have won 35 consecutive track meets dating back to 1997. We lose only two seniors so the expectations are very high and we are excited about meeting the challenge in 2002!

The Raider tennis team completed another winning season which ended in May of 2001. Even with a very competitive schedule, the team finished with a 9-1 overall record.

Varsity boys tennis got back on track this year with a South AAAA team victory. Michael Ward won an individual title at #2 singles in the South AAAA tournament. Two of the seven starters graduated, but the majority of the team is returning and will add junior transfer Jess Reed to the lineup. Many of the Raiders are working hard year round to improve next year's team.

Once again, the Lady Raiders ended with a very successful season. Through both team play and some gutsy individual efforts, the Lady Raiders were able to sweep all three tournaments for the second consecutive year. Individual titles were won by Mary Rebecca Barry, Lauren Pickering, Stephanie Henson, Collins Johnson, Ley Black, and Cameron Vaughan. Another highlight of the year was the team's trip to Tennessee for the Chattanooga Rotary Tournament. Competing against seven other teams from across the south, the Lady Raiders won second place in the B division, their best ever finish. While the varsity team will lose two key starters, the team is very young and is anticipating junior varsity players to fill in and a strong 7th grade class to help continue the winning tradition.

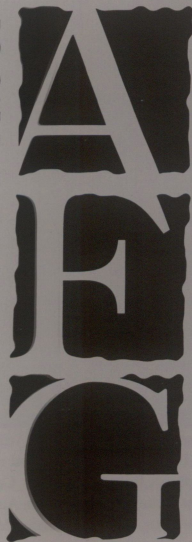

## Jackson Academy Swim Team

**JA Secondary Division Swim Team:** The Jackson Academy Swim Team won the championship in the MPSA competition recently for the 23rd consecutive year. Both elementary and secondary students participate on separate teams, computing an overall score. Some of the secondary team members are from left, front row: Anna Watson, Mary Katherine Thomas, Abigail Sample, Lainey Newton; middle row: Alex McCaskill, Chloe Lloyd, Nancy Elizabeth Goodman, Lindsey Smith, Caroline Murphree, Libby Newton; back row: A.J. Harris, Jamie Cruise, Trey Clark, Christopher Pinkston.

**Slow Pitch Softball** - The Jackson Academy Slow Pitch softball team had another exciting and successful season. With a tougher schedule, the girls stepped up their level of competition. They also gained confidence and experience with each game. The 2002 season will have a majority of the starters returning, which should make for a solid softball team. With this experience, along with hard work and concentration, we hope to have another successful season in 2002.

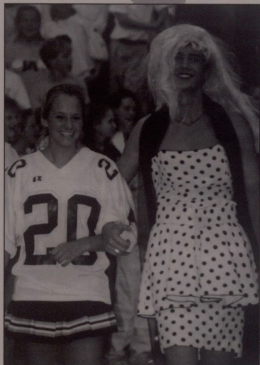

**Fast Pitch Softball** - Jackson Academy was venturing into new territory in the fall of 2000, trying to get a Fast Pitch softball program started. As with any program, we had some very exciting and frustrating moments. The season started with only a few girls having any experience. However, their experience and leadership, along with hard work by everyone, helped pull this team together.

The 2000 JA softball team was quite competitive. Many young players were on starting positions and gained confidence with each game. The games were very exciting, with many coming down to the last pitch. With everyone returning for the 2001 season, we hope to have a stronger and more competitive team. With hard work and their eagerness to learn more of the game, the JA Fast Pitch softball team should have an exciting and successful year.
