## JACKSON ACADEMY HEADMASTER

**Mr. Peter Jernberg**

Dear Friends:

Jackson Academy was established in 1959 as an independent day school. It was created for and is dedicated to the education of boys and girls, preschool through senior high.

Through the diligent and unselfish efforts of many people, the school has grown to include a thirty-eight acre campus serving approximately 1540 students with a faculty and staff of 175.

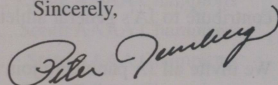

The first priority at Jackson Academy is the education of the student. Education at Jackson Academy is a process that stresses commitment and cooperation, that makes clear the interdependence of academic and extra-curricular pursuits and places high value on integrity, achievement, and growth.

It is paramount that we demonstrate positive support for all aspects of our extra-curricular program. This can best be done through offering encouragement to those students participating and by reflecting wholesome conduct at all JA activities.

The Jackson Academy Athletic Booster Club continues to be a vital part of our support program. We recognize them, not only for this support, but also for their interest in and encouragement of our student athletes.

Jackson Academy considers it a privilege to have you visit our campus for athletic events. We also invite you to attend and support other JA activities that involve our fine student body.

Sincerely,

Peter Jernberg  
Headmaster

Dear JA Patrons,

The Jackson Academy Athletic Booster Club is a voluntary organization of parents and supporters working collectively for the purpose of assisting our students and school in all athletic activities. The funds that are generated through Booster Club programs help to finance numerous special projects, such as the recent gymnasium renovations, as well as contribute to JA's general athletic budget.

We invite all JA parents to join the Booster Club and to attend our regular meeting.

The generosity that so many of you have shown is genuinely appreciated. I look forward to working with you during what I believe will be a very successful 2002-2003 season.

Steve Richardson, President  
Jackson Academy Athletic Booster Club

2002 "Pull" for the Raiders Co-Chairmen: L to R: Charles and Suzan Laney, Susan and David McNamara

### **"BE A SPORT - PULL FOR THE RAIDERS"**

*In March, the JA Booster Club hosted the second "Pull" for the Raiders, a sporting clay fun shoot for families at Kearney Park in Flora, MS. The fun morning included 10 various wild game emulation of rotatable stations for boys and girls (gun safety background) to be challenged. After a fine barbecue chicken lunch, scores were posted and prizes distributed. Along with the participant entrance fees, kind donations from station sponsors, and corporate event sponsorship from Ergon and Brown Bottling Company, the shootout was a "HIT"!*

Go Raiders:

The 2002-2003 edition of Jackson Academy athletics shapes up to be another year of tremendous competition accompanied by much optimism. The powerful enthusiasm and excitement being generated by our athletes and their coaches are highly contagious.

The upcoming athletic year will take on a different look as we begin competing in the North AAA Conference in all sports. Currently the member schools are:

Indianola Academy  
Jackson Academy  
Starkville Academy  
Madison Ridgeland Academy

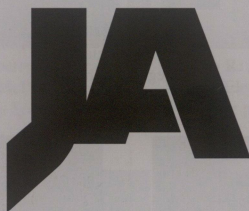

Magnolia Heights School – Senatobia  
Pillow Academy – Greenwood  
Lee Academy – Clarksdale  
Washington School – Greenville

As one of the highest profiled schools in our association, let us accept the challenges and responsibilities that accompany that position. Please demonstrate at all times the characteristics of true champions. One of the most important of these characteristics is that of sportsmanship. As Raiders, we pledge to compete at the highest level, but never at the expense of losing sight of our behavioral responsibilities.

On behalf of all of the support groups and athletic teams representing Jackson Academy, thank you for your continued support of our efforts. We hope to see you at many of our athletic contests.

Respectfully,

Bobby West  
Athletic Director

# The Original Chicken Sandwich

Over 35 years ago, the folks at Chick-fil-A® invented the original way to help save cows. Namely, the world's first chicken sandwich. It features a tender, all-white breast of chicken cooked a special way to seal in the juices. Then it's placed atop a hot, buttered bun and finished off with two crucial pickles. Cows the world over give it four hooves up.

## Varsity Strength and Conditioning

The strength and conditioning program at JA for varsity athletes is a year-round program. During the spring of this year, the program's overall focus was improving the athletes' strength with emphasis on flexibility and power. In varsity football, each player not involved in spring sports is given a nine-week cycle of weight room training and running drills from December until May. The athletes are measured in the bench, squat, and clean for football and incline bench and leg press for basketball. Coach Sojourner and Coach Ball have done a great job working with basketball players during the off-season weight programs. JA has challenged each athlete to get the most out of his or her chosen sports. Strength is a major key to the success of any sports program. Individual consistency and determination along with a strength program will result in any team's successful season. The strength and conditioning of your athlete is a major priority of the JA coaching staff. Thank you for your support of all our programs and please visit our facility any time.

## *A Coach's Prayer*

**Build me** an athlete, O Lord, who will be strong enough to know when he is weak and brave enough to face himself when he is afraid, one who will be proud and unbending in honest defeat and humble and gentle in victory.

**Build me** an athlete whose wishbones will not be where his backbone should be, an athlete who will know Thee and that to know himself is the foundation stone of knowledge. Lead him, I pray, not in the path of ease and comfort, but under the stress and spur of difficulties and challenge. Here let him learn to stand up in the storm; here let him learn compassion for those who fall.

**Build me** an athlete whose heart will be clear, whose goal will be high; and athlete who will master himself before he seeks to master other men; one who will learn to laugh, yet never forget how to weep; one who will reach into the future yet never forget the past. And after all things are his, add, I pray, enough of a sense of humor, never to take himself too seriously. Give him humility so that he may always remember the simplicity of true greatness, the open mind of true wisdom, the meekness of true strength. Then, I his coach, will dare to whisper, "I have not lived in vain."

As we begin preparing for our third season at JA, we are extremely excited about the promise of a new season. This year's team is a good mixture of seniors with a lot of experience blended with a very talented young group of juniors and sophomores who will be counted on for quality contributions throughout the upcoming season.

These young men have worked very hard this off-season. Each one of them has put in many long hours to guarantee the continued success of our program. These young men are very dedicated and enthusiastic about getting the new season started in November.

Our schedule will be very competitive and challenging with our realignment as a member of the North AAA. We will also play in several tournaments and another trip to Memphis.

Thank you for your encouragement and support for our team. We hope you will make plans to support your JA Raiders this winter as we compete for State and Overall State Tournaments.

Congratulations to the Lady Raiders for winning another Overall State Championship. They were ranked #1 in the pre-season poll and finished with the #1 ranking in the final poll for the second straight year. They also won the South 4A Championship and finished with a 10-0 conference record.

The loss of 4 All-State players and a change in conference play will make for another exciting year. In order to reach our goals this year we will need to receive great leadership from our seniors, blend as a team and believe in each other.

We feel that one of the most important characteristics of a successful program is hard work. It is something that we as coaches and players have control over and feel very good about our commitment to it. The lady Raiders want to have the feeling that nobody has prepared harder for the season; and by doing this it allows the chance to carry on the tradition of winning championships.

The Varsity girls track team of 2003 will be looking to improve on a second place finish in the South AAAA meet and a fourth place finish in the State AAAA meet.

The 2003 team will return several key runners and field event competitors that should bolster the strength of the team. Several freshman athletes will be moving up to the high school level, which should add some much needed depth to the 2003 team.

Hopefully our girls will accept the challenges of becoming the best track athlete they can and take our program to the next level.

Varsity Boys Soccer Team Coach  
Varsity Girls Soccer Team Coach

The JA girls soccer team has improved considerably since I became coach in 2000. The program is now getting the results and respect that it deserves. This is largely due to the hard work and dedication that the players of the past have shown to the program. Last year, the team finished 2nd in the South Conference and ended up losing to Pillow, who went on to the final to lose to Prep on penalties.

I think that the group of players that the team has this year is the most experienced of all the JA girls teams I have coached. The program has a better caliber player now as the younger players of the past have matured into fine high school players. There is also a very good group of young players who may end up starting on the team.

I know that the girls were very upset last year at losing in the semi-finals. I'm sure that this loss will take us to new heights. The team hopes to win the Northern conference and go on to the finals for the first time ever. I feel that this is going to be the best team that JA has had in the last 3 years.

## Varsity Boys Soccer Team

**JA Boys Soccer Team:** Playing soccer this year for the Jackson Academy Boys Soccer Team were: Front row, L to R: John Gresham, Baskin Jones, Brian Williams; 2nd row: Coach Rigo Cedena, Coach Dean Joseph, Trey Clark, Mark Escude\*, Brian Watts, John Lowery, Devin Darnall, Andrew Ueltschey, Matt Hinkle, Coach Justin Vorster; 3rd row: Chris Harkins, Robert Gardner, Benjamin Studdard, Mark Sullivan, Will Smith, Rob Cannon, John Lambuth, Tyler Rogers, John Watson, Wilson Bailey, Beau Grantier.

### Varsity Boys Soccer Team

The JA boys soccer team has had two winning seasons and has made the playoffs in both years since I have been coach. This has been a remarkable turnaround to the year before I was hired, where the team hardly won a game.

The players have been the result of this team's destiny as they have dedicated their whole winter to the cause. Even though the last few years have been lean with regard to winning trophies, the improvement of the team has been remarkable. Each year saw an improvement not only in results but also in the standings in the conference at the end of the year. This team of players is now beginning to understand how to play the game and learning what it takes to win.

The team this year is going to be the best team that I have coached here in three years. I feel that the players now know what type of effort it takes to be successful. They know that the team always comes first and no matter who you are, you earn your playing time. There are many mature players returning, and I know that with the addition of the new players we can win the Northern conference. I feel that this team can make the finals of the State tournament.

**Slow Pitch Softball** - With only 2 starters returning, the 2002 slow pitch softball season proved to be a challenging one. With the lack of experience being one of several obstacles the girls faced, this did not take away from their dedication or determination at practice or in a game. These girls gained confidence and experience with each and every game. We only had 2 seniors on the 2002 team. With a majority of the starters returning, we are hoping to have a very competitive 2003 season.

**Fast Pitch Softball** - 2001 was the second year for Jackson Academy to compete in Fast Pitch Softball. The girls gained a lot of experience these last couple of years. With most of the starters returning, we are hoping to step up our level of competition for the 2002 season. Also, with the interest in fast pitch softball that our younger girls have, we are hoping to build a competitive Jr. Varsity program to build on for the future.

### Junior High Cheerleaders

You can count on extraordinary things from our Jr. High Cheerleaders this year. They began practicing in April to prepare for summer camp at the University of Mississippi. While attending camp, the girls received superior ribbons and spirit sticks every night. In the overall camp championship they placed 1st in the home dance, 1st in the extreme routine and 2nd in the sideline cheer. They were also awarded the "Traditions" trophy. Hallie Reed and Sarah Sams represented the squad in the camp "Jump Off" competition. Our All-Star cheerleaders selected were Emily McLaurin and Charlotte Skelton. The Jr. High Cheerleaders are looking forward to a successful year for all our Raiders!

# Official Spirit Sponsor

There's just something about a **football game**, climbing up those bleachers to cheer your team on to victory.

At **Back Yard Burgers**, we understand that feeling of **community pride and school spirit**. That's why we sponsor community events, like this football game.

You see, we live here, too.

Our friends and neighbors are our customers, and we only want the best for them. That means using only the finest ingredients available, like **100% Black Angus Beef**. It's tender and flavorful - the same beef used for the very best steaks. You'll appreciate the difference.

So come in tonight and enjoy our **100% Black Angus Beef Burger** for yourself. And don't forget to tell us about the game.

The Best Beef. The Best Burger. Only at Back Yard Burgers.

**Back Yard Burgers is proud to sponsor**
