CODE OF GOOD SPORTSMANSHIP

- Total team effort.
- Promote the ideals of good sportsmanship, ethics and integrity.
- Cheer for the Raiders, not against the opposition (this includes signs).
- Respect officials and their decisions. Games wouldn't be played without them.
- Win with humility (without boasting); lose with grace (without excuses or finger pointing); do both with dignity.
- Demonstrate respect for opposing fans, coaches and team members.
- Realize that a ticket is a privilege to attend an athletic competition and support Jackson Academy activities, not a license to verbally assault others or be generally obnoxious.
- Good sportsmanship should be contagious.
- Self control is a virtue.
- Be an exemplary role model by positively supporting and encouraging Raider team members and their coaches. Have fun promoting our teams.
- Be a fan not a fanatic!
- Make good sportsmanship a conscious priority. It is simply the right thing to do.
- Do unto others as you would have others do unto you.

GREETINGS FROM RAIDER NATION!

#WEAREJA

Dear Raider Family,

On behalf of the Jackson Academy Athletic Booster Club Board, we are excited to welcome another year of Raider Athletics. As parents of both a senior and an eighth grader, we truly appreciate the opportunities Jackson Academy provides in both athletics and academics, and we have enjoyed watching our children, niece, nephews and so many others pursue and develop their God given abilities in a very special place. We have a fantastic group of coaches, staff, teachers and administrators who support our children and are dedicated to developing students, leaders and athletes and preparing them to succeed in life. Serving our student athletes daily is a calling more than a job and we are blessed to have a great Team at JA. The mission statement of the JA Booster Club is to provide financial support to enrich the athletic experience of student athletes and to promote unity of spirit among parents, faculty, students and supporters of Jackson Academy. We have a dedicated group of volunteers on the Jackson Academy Booster Club Board who selflessly give many hours of their time to serve our School and our student athletes. Thank you for supporting the JA Booster Club through your sponsorships, booster club memberships, all-sports passes, service during concession stand shifts, participation in Color Me Raider, and for making the effort to be present and cheer on our Raider athletes. Jackson Academy is unique because of the great people who make up the Raider Family and we are so thankful that our family has an opportunity to be a part of JA. Good luck to all of our JA Raider athletes and spirit teams this year, and may we all do our part to support them and make the 2019 and 2020 season a great success!

Sincerely,
Jamie (Class of '92) and Katie Chustz

JACKSON ACADEMY

Dear Jackson Academy Family,

As I wrote a year ago, my early impressions of Jackson Academy athletics were once again affirmed by the level of commitment clearly exhibited by our players, coaches, families, fans, and students, and I believe more than ever that a vibrant athletic program is a prime indicator of the health of a successful and balanced school.

Independent schools across the country continue to seek ways to distinguish themselves and offer programs outside of the classroom that help develop their students into positive contributors to the society in which they will live. Athletics is one such opportunity, and what was once spoken of as an “extracurricular” activity is more and more appropriately becoming known as a “cocurricular” activity. Athletics does not stand alone as an entity unto itself, but instead one that supports and complements those things learned in the classroom or on the stage or in the home. Moreover, athletic competition is not simply about win-loss records or championships, but far more about being part of something bigger than one’s self, about learning to deal with disappointments as well as successes, and about a young person accomplishing personal goals he or she may not previously have thought possible.

Perhaps unique to athletics, is the recognition that both successes and disappointments are claimed and held in memory by the entire student body and greater school community, not just the participants. Forever in a former student’s reminiscence, whether or not a team member, “we” is consistently used to reference a championship or a hard-fought defeat of a traditional rival. Conversely, “we” is also used to share in a heartbreaking loss.

A successful athletic program is not attained simply through the players, coaches, and facilities. It is also critically dependent upon the tireless support of the families and fans in our school, most notably from the Jackson Academy Athletic Booster Club. I again wholeheartedly thank the Booster Club for its continued indispensable and tireless dedication in support of our youth. And I continue to encourage all parents to likewise offer their time and talents to help insure our athletic program’s success, not measured simply by wins and losses, but even more so by the permanent character values it instills in our young men and women.

GO RAIDERS!

Sincerely,
Jack F. Milne
Head of School

2019 CROSS COUNTRY

The cross country team has continued to grow over the last few years. With larger numbers comes increasing success. The varsity boys finished 3rd at State and our girls finished 5th in the 2018 state championship. This season promises to be even more successful with a strong return in both our Boys and Girls team.

2019 GIRLS VARSITY BASKETBALL

Last year the Lady Raiders had a successful and growth-filled year, continuing the winning tradition of the program and also leaving a legacy of values, unity and hard work. The team was led by seven seniors, five of whom were starters. Three of those were selected MAIS All Stars as well as MAIS AAAA Division 1 All Conference players, one taking the Conference MVP title and another being awarded the Don Souder Award as the most outstanding MAIS female scholar-athlete. The Lady Raiders won a fourth consecutive AAAA Division 1 State Championship and continued a four-year undefeated record in conference play, finishing with a 27-6 record. This year a group of five seniors will strive to lead and carry forward the traditions of the program. The team spent mornings in the summer working out, evenings playing in the Metro summer league, a weekend at Samford team camp, and a week at Jackson Academy team camp. They also served as coaches and helpers at the Jackson Academy individual camp. The girls have worked hard to prepare themselves for the season ahead, and they will look to build upon the foundation that has been laid for them. In order to hang another banner, the 2019-2020 Lady Raiders will need to have a mindset that is surrounded by service. Each girl must be committed to the team and must have a desire to play her own role, as each role is essential to success. This year the Lady Raiders will continue to exemplify the qualities of sportsmanship, discipline, and unity that make our program so special. The team will open on November 5th against Hillcrest Christian, and together they will pursue another championship. We appreciate your support of the Jackson Academy girl's basketball program!

2019 JUNIOR VARSITY GIRLS BASKETBALL

The 2019-20 Jr High Lady Raiders will take the court this season in unfamiliar territory. This Lady Raider team will return 5 players from last years team that made it to the semifinals of the AAAA Division 1 Championship. Returning starters Emily Buchanan, Addi Roberts, and Addison Comer along with Lila Eubank and Ava Ladner bring experience to this years team. This team will have the combination of length and shooting ability that will allow them to defend their goal while being able to pressure the other teams defense with a potent inside outside offensive game.

2019 VARSITY TENNIS

Raider tennis is growing for the 2020 season. Following one of Jackson Academy's most competitive tryouts and including a few strong post tryout transfers, the varsity and junior varsity programs boast a total of 39 players. Both the girls and boys teams return 5 of 7 starters and will play a competitive spring schedule including tournaments, conference opponents, and many of the top public school teams in the state. The girls will work hard to lengthen their division winning streak of five while the boys are putting in long hours in the off season in preparation for hopefully their best season in many years. Tennis matches will be played in the spring at the beautiful, lighted tennis center at Raider Park. The schedule will be available on the JA website in early fall. Please come support your Raider Tennis Team!

The junior varsity cheer squad is always full of spirit and enthusiasm. Last year, they raised the bar with several memorable performances during the season. Over the summer, they attended UCA's Masters Camp at the University of Mississippi where they brought home several trophies and all superior ribbons. 2019 BAND

Jackson Academy Marching Band has been working hard all summer and we are certainly looking forward to the 2019 season. We celebrate the teamwork and camaraderie that brings a diverse group of students from all walks of life together and makes our field performances successful! This season, we are excited to present our field show "On the River" written by our very own JA alumnus, Bryant Thaxton. In the Jackson Academy Band family, we live out the philosophy of All For One by involving all students grades 7-12. Our marching band continues to excel as we strive to develop and grow not only outstanding bandsmen, but in all aspects, outstanding young people.

Ever heard of the Band getting a PENALTY?

You may not know it, but the MAIS code of conduct states that under threat of penalty, the band is not to play while the other team has the ball. So don't worry, we will keep it quiet while the other team has the ball and be ready to explode with spirit when the Raiders are in possession!

THE RULE READS:

"In an effort to further ensure good sportsmanship at our football games, school administrators and coaches that have active bands, should instruct their band directors to be cautious when choosing the time for their band to play. While bands certainly improve the atmosphere of the game, they should not be disruptive to the opposing team."

Thanks for your support of the Jackson Academy Band!

EQUESTRIAN

2019-2020 EQUESTRIAN

The Jackson Academy Equestrian Team is in its fifth year. The JAET is a member of the Interscholastic Equestrian Association which is made up of zones and regions across the country. We compete in five regular season horse shows against other teams across the southeast. Each show consists of points for the team and each rider as an individual according to how well they place in competition. If a rider accumulates enough points they can advance to regionals, zones and finally nationals. The JAET will host/co-host a show at Winterview Farm in Madison this fall. We are looking forward to a very successful year. Happy Trails and Go Raiders!

I am a **RAIDER**. I believe that the interest of the team must come first. I will give blood, sweat and tears for the team. I will compete like a champion. I will not be out-hustled. I will not make excuses. I will do the little things right on and off the field. I will not let people talk about my **RAIDER FAMILY**. I will cheer for my teammates even if I am not in the game. I expect and demand the best from my teammates. I will take pride in all I do. I will be successful.
