# CODE of GOOD SPORTSMANSHIP

- Total team effort.
- Promote the ideals of good sportsmanship, ethics and integrity.
- Cheer for the Raiders, not against the opposition (this includes signs).
- Respect officials and their decisions. Games wouldn't be played without them.
- Win with humility (without boasting); lose with grace (without excuses or finger pointing); do both with dignity.
- Demonstrate respect for opposing fans, coaches and team members.
- Realize that a ticket is a privilege to attend an athletic competition and support Jackson Academy activities, not a license to verbally assault others or be generally obnoxious.
- Good sportsmanship should be contagious.
- Self control is a virtue.
- Be an exemplary role model by positively supporting and encouraging Raider team members and their coaches. Have fun promoting our teams.
- Be a fan ..... not a fanatic!
- Make good sportsmanship a conscious priority. It is simply the right thing to do.
- Do unto others as you would have others do unto you.

## A MESSAGE FROM THE ATHLETIC DIRECTOR

### ***Raider Nation,***

**A**s I begin my first year as the Athletic Director at Jackson Academy, I am thankful and excited about the many athletic opportunities our student-athletes will experience this school year. Being your athletic director at JA, one of MAIS's premier schools, is an absolute honor and privilege.

Our teams and coaches' dedication, work ethic, sacrifice, and character define our success. Along with the continued support from our fans and boosters, these characteristics serve as the springboard to help carry on the rich tradition of Jackson Academy athletics. This past year brought championships in Volleyball, Girls' Soccer, Accents 6A Kick, Cheer Tumbling, Boys' 6A State Basketball, and an Overall State Basketball Championship.

The ultimate goal of the Jackson Academy Athletic Department is to provide each student-athlete with the opportunity to maximize his or her athletic skills and talents and have a very positive experience in the process. JA athletics play an integral part in promoting a positive school climate by teaching lifetime values and developing leadership skills.

As we gear up for a new school year, I encourage everyone to embody the true spirit of champions during every athletic competition. Sportsmanship is the cornerstone of our values. I urge all our athletes, coaches, and fans to familiarize themselves with and uphold our Jackson Academy Code of Good Sportsmanship. Let us all strive to compete at the highest level, but never at the expense of our behavior.

This year brought new leaders to several of our programs, including Head Football Coach David Duggan, Head Softball Coach Brittany Ford, Head Baseball Coach Corey Dickerson, and Head Track Coach Willie Calvin. These new leaders, returning leaders, and the incredible assistant coaches will work diligently to equip and prepare our student-athletes to the best of their ability. We are excited about all of our staff additions and look forward to their impact on our student-athletes.

In addition to coaches and athletes, many other groups and individuals play a vital role in the success of our athletic department. The JA Athletic Booster Club provided more than \$150,000 in support for our teams last year while working behind the scenes to ensure our game-day experience was the best in the MAIS.

Thank you for allowing us the opportunity to work with your student-athlete. Thank you for choosing Jackson Academy, and thank you for all of your support. I look forward to seeing you this year and encourage you to attend as many games, matches, and contests as possible!

***Go Raiders!***

## A MESSAGE FROM THE BOOSTER CLUB BOARD PRESIDENT

***Dear Jackson Academy Family,***

**T**he Jackson Academy Athletic Booster Club is pleased to welcome all Raiders back to campus for the 2024-2025 school year and athletic season. Our student athletes and coaches have worked hard all Summer to prepare for their respective seasons – some practicing before the sun finished rising, others enduring the mid-day heat, all training with Championship goals. This past year saw the Raiders earn team and/or individual State Championships in varsity basketball, golf, soccer, swimming, tennis, track, and volleyball – on top of championship performances by our junior varsity and middle school teams and athletes.

Many new faces will join familiar ones on the sidelines and in the dugouts this year. We are grateful to our Athletic Director, Brandt Walker, who has spent countless hours shaping the roster of coaches that will lead our student athletes this year. The assembled coaches boast collegiate and professional athletic experience that is certain to boost our prospects for on-the-field success, but more exciting is their shared passion for mentorship and preparing our Raiders for off-the-field success. The spirit and enthusiasm of our entire Athletic Department has set the tone for an athletic season that is already off to a victorious start.

The Jackson Academy Athletic Booster Club is proud to play its role in JA's athletic success. Our mission is to support and enhance the athletic-centered extracurricular experience of all JA student athletes. In pursuit of that mission, the Booster Club has provided training, practice, and therapy equipment already in use, assisted teams with Summer expenses to lessen the financial burden on families, and supported the refurbishment of our basketball practice gym and soccer locker room, with new scoreboards at the softball and baseball fields to be installed this season. We could not do this without the past support of the JA family and we hope you will all join us.

Please consider becoming members and sponsors of the Booster Club for the 2024-2025 athletic season. With more of us working together for the success of JA athletics, we can continue to provide a championship experience for all JA student athletes – one that celebrates their athletic victories while being mindful of the greater victory He has provided for us all.

## A MESSAGE FROM THE HEADMASTER

*Greetings!*

**T**here's a palpable excitement surrounding Raider Athletics! Research shows that the most crucial aspect of a child's education is not class size or facilities, but the people students interact with. JA is fortunate to have a dedicated coaching staff, supportive families, and students who uplift each other, all centered around our common purpose of placing students at the heart of what we do.

What does being **Raider Strong** mean? It means embodying servant leadership, cheering for our teams, and supporting one another through wins and losses. **Raider Strong** is about commitment to our values and mutual support, recognizing that only together can we achieve our common goals.

At JA, the way you play the game matters. Our athletics program is designed to teach students not only how to win, but how to learn from both victories and setbacks. Our coaching staff excels not only in their expertise but also in their genuine care for our students.

Both classrooms and sports teach essential skills, with a focus on teaching how to think rather than just what to think. Hard work and enjoyment should complement each other, exemplifying JA's mission to prepare students for purposeful lives.

With both experienced and new coaching talent, JA is set to transform athletics in our state. Let's support our coaches, each other, and our student athletes as we work together to achieve new heights.

Please read our Code of Good Sportsmanship, appreciate the efforts of all schools, and thank officials and Booster Club volunteers who make these experiences possible. Take a moment to reflect on our shared journey—it's a great time to be a Raider! Let's all be **Raider Strong!**
